Rambus Inc. Announces First Quarter 2006 Earnings Call

LOS ALTOS, Calif., Apr 12, 2006 (BUSINESS WIRE) -- Rambus Inc. (Nasdaq:RMBS), one of the world's premier technology licensing companies specializing in high-speed chip interfaces, will hold its quarterly conference call on April 19, 2006 at 2:00 p.m. Pacific Time to discuss financial results for the first quarter of 2006.

This call will be webcast and can be accessed via Rambus' web site at http://investor.rambus.com. A replay will be available following the call on Rambus' Investor Relations web site or for one week at the following numbers: (888) 203-1112 (domestic) or (719) 457-0820 (international) with ID# 8412297.

Shareholder questions may be submitted to Rambus in advance of the conference call for management to respond to commonly asked questions during the call. Please submit your questions before April 14, 2006 via the Investor Relations website at http://investor.rambus.com/.

About Rambus Inc.

Rambus is one of the world's premier technology licensing companies specializing in the invention and design of high-speed chip interfaces. Since its founding in 1990, the company's patented innovations, breakthrough technologies and renowned integration expertise have helped industry-leading chip and system companies bring superior products to market. Rambus' technology and products solve customers' most complex chip and system-level interface challenges, enabling unprecedented performance in computing, communications and consumer electronics applications. Rambus licenses both its world-class patent portfolio as well as its family of leadership and industry-standard interface products. Headquartered in Los Altos, California, Rambus has regional offices in North Carolina, India, Germany, Japan and Taiwan. Additional information is available at www.rambus.com.
