FORWARD-LOOKING STATEMENTS

The Private Securities Litigation Reform Act of 1995 provides a safe harbor for forward-looking statements made by us or on our behalf. Certain statements contained in this quarterly report, including those within the forward-looking perspective section within this report's Management's Discussion and Analysis, and other written and oral statements made from time to time by us or on our behalf do not relate strictly to historical or current facts and may contain forward-looking statements that reflect our current views with respect to future events and financial performance. As such, they are considered "forward-looking statements" which provide current expectations or forecasts of future events. Such statements can be identified by the use of terminology such as "may," "could," "will," "should," "possible," "plan," "predict," "forecast," "potential," "anticipate," "estimate," "expect," "project," "intend," "believe," "may impact," "on track," and similar words or expressions. Our forward-looking statements generally relate to our growth strategies, financial results, product development, and sales efforts. These forward-looking statements should be considered with the understanding that such statements involve a variety of risks and uncertainties, known and unknown, and may be affected by inaccurate assumptions. Consequently, no forward-looking statement can be guaranteed and actual results may vary materially.

This document contains forward-looking statements about Whirlpool Corporation and its consolidated subsidiaries ("Whirlpool") that speak only as of this date. Whirlpool disclaims any obligation to update these statements. Forward-looking statements in this document may include, but are not limited to, statements regarding expected earnings per share, cash flow, productivity and raw material prices. Many risks, contingencies and uncertainties could cause actual results to differ materially from Whirlpool's forward-looking statements. Among these factors are: (1) intense competition in the home appliance industry reflecting the impact of both new and established global competitors, including Asian and European manufacturers, and the impact of the changing retail environment; (2) Whirlpool's ability to maintain or increase sales to significant trade customers and the ability of these trade customers to maintain or increase market share; (3) Whirlpool's ability to maintain its reputation and brand image; (4) the ability of Whirlpool to achieve its business plans, productivity improvements, and cost control objectives, and to leverage its global operating platform, and accelerate the rate of innovation; (5) Whirlpool's ability to obtain and protect intellectual property rights; (6) acquisition and investment-related risks, including risks associated with our past acquisitions, and risks associated with our increased presence in emerging markets; (7) risks related to our international operations, including changes in foreign regulations, regulatory compliance and disruptions arising from political, legal and economic instability; (8) information technology system failures, data security breaches, network disruptions, and cybersecurity attacks; (9) product liability and product recall costs; (10) the ability of suppliers of critical parts, components and manufacturing equipment to deliver sufficient quantities to Whirlpool in a timely and cost-effective manner; (11) our ability to attract, develop and retain executives and other qualified employees; (12) the impact of labor relations; (13) fluctuations in the cost of key materials (including steel, resins, copper and aluminum) and components and the ability of Whirlpool to offset cost increases; (14) Whirlpool's ability to manage foreign currency fluctuations; (15) impacts from goodwill impairment and related charges; (16) triggering events or circumstances impacting the carrying value of our long-lived assets; (17) inventory and other asset risk; (18) the uncertain global economy and changes in economic conditions which affect demand for our products; (19) health care cost trends, regulatory changes and variations between results and estimates that could increase future funding obligations for pension and postretirement benefit plans; (20) litigation, tax, and legal compliance risk and costs, especially if materially different from the amount we expect to incur or have accrued for, and any disruptions caused by the same; (21) the effects and costs of governmental investigations or related actions by third parties; and (22) changes in the legal and regulatory environment including environmental, health and safety regulations, and taxes and tariffs.

We undertake no obligation to update any forward-looking statement, and investors are advised to review disclosures in our filings with the SEC. It is not possible to foresee or identify all factors that could cause actual results to differ from expected or historic results. Therefore, investors should not consider the foregoing factors to be an exhaustive statement of all risks, uncertainties, or factors that could potentially cause actual results to differ from forward-looking statements.

Additional information concerning these and other factors can be found in "Risk Factors" in Part II, Item 1A of this report.

Unless otherwise indicated, the terms "Whirlpool," "the Company," "we," "us," and "our" refer to Whirlpool Corporation and its consolidated subsidiaries.

NOTES TO THE CONSOLIDATED CONDENSED FINANCIAL STATEMENTS (UNAUDITED)

(1) BASIS OF PRESENTATION

General Information

The accompanying unaudited Consolidated Condensed Financial Statements have been prepared in accordance with accounting principles generally accepted in the United States of America ("GAAP") for interim financial information, and with the instructions to Form 10-Q and Article 10 of Regulation S-X. Accordingly, they do not include all information or footnotes required by GAAP for complete financial statements. As a result, this Form 10-Q should be read in conjunction with the Consolidated Financial Statements and accompanying Notes in our Form 10-K for the year ended December 31, 2018 .

Management believes that the accompanying Consolidated Condensed Financial Statements reflect all adjustments, including normal recurring items, considered necessary for a fair presentation of the interim periods.

We are required to make estimates and assumptions that affect the amounts reported in the Consolidated Condensed Financial Statements and accompanying Notes. Actual results could differ materially from those estimates.

Certain prior year amounts in the Consolidated Condensed Financial Statements have been reclassified to conform with current year presentation.

We have eliminated all material intercompany transactions in our Consolidated Condensed Financial Statements. We do not consolidate the financial statements of any company in which we have an ownership interest of 50% or less, unless that company is deemed to be a variable interest entity ("VIE") of which we are the primary beneficiary. VIEs are consolidated when the company is the primary beneficiary of these entities and has the ability to directly impact the activities of these entities.

Adoption of New Accounting Standards

On January 1, 2019, we adopted Accounting Standards Update ("ASU") No. 2017-12, "Derivatives and Hedging (Topic 815): Targeted Improvements to Accounting for Hedging Activities." The adoption of this standard did not have a material impact on our Consolidated Condensed Financial Statements, however we have expanded our use of hedge accounting to hedge contractually specified components in commodity contracts designated as cash flow hedges. For additional information on the required disclosures related to the impact of adopting this standard, see Note 10 to the Consolidated Condensed Financial Statements.

On January 1, 2019, we adopted ASU No. 2016-02, "Leases (Topic 842)" and as part of that process the Company made the following elections:

- The Company did not elect the hindsight practical expedient, for all leases.
- The Company elected the package of practical expedients to not reassess prior conclusions related to contracts containing leases, lease classification and initial direct costs for all leases.
- In March 2018, the FASB approved an optional transition method that allows companies to use the effective date as the date of initial application on transition. The Company elected this transition method, and as a result, will not adjust its comparative period financial information or make the newly required lease disclosures for periods before the effective date.
- The Company elected to make the accounting policy election for short-term leases resulting in lease payments being recorded as an expense on a straight-line basis over the lease term.
- The Company elected to not separate lease and non-lease components, for all leases.
- The Company did not elect the land easement practical expedient.

Upon adoption, we recognized the cumulative effect of initially applying this new standard resulting in the addition of approximately \$858 million of right of use assets, of which \$46 million are held for sale, as well as corresponding short-term and long-term lease liabilities. Additionally, the Company has sold and leased back a group of properties in our Latin American region and upon adoption, the Company recorded a cumulative adjustment to retained earnings of approximately \$82 million related to deferred gains associated with these transactions.

For additional information on the required disclosures related to the impact of adopting this standard, see Note 3 to the Consolidated Condensed Financial Statements.

For additional information on held for sale assets, see Note 16 to the Consolidated Condensed Financial Statements.

All other newly issued and effective accounting standards during 2019 were not relevant or material to the Company.

Accounting Pronouncements Issued But Not Yet Effective

In November 2018, the FASB issued ASU 2018-18, "Collaborative Arrangements (Topic 808): Clarifying the Interaction between Topic 808 and Topic 606." The new standard clarifies that certain transactions between participants in a collaborative arrangement should be accounted for under Topic 606 when the counterparty is a customer for a good or service that is a distinct unit of account. The amendments also preclude entities from presenting consideration from transactions with a collaborator that is not a customer together with revenue recognized from contracts with customers. The new standard is effective for fiscal years beginning after December 15, 2019, and interim periods within those fiscal years. Early adoption is permitted in any interim period for entities that have adopted ASC 606. The standard should be applied retrospectively to the period when initially adopted ASC 606. The Company is currently evaluating the impact of adopting this guidance.

In October 2018, the FASB issued ASU 2018-17, "Consolidation (Topic 810): Targeted Improvements to Related Party Guidance for Variable Interest Entities". The new standard changes how entities evaluate decision-making fees under the variable interest entity guidance. The new standard is effective for fiscal years beginning after December 15, 2019, and interim periods within those fiscal years. Early adoption is permitted in any interim period after issuance. The standard should be applied on a modified retrospective basis through a cumulative-effect adjustment directly to retained earnings at the beginning of the period of adoption. The Company is currently evaluating the impact of adopting this guidance.

The FASB has issued the following relevant standards, which are not expected to have a material impact on our Consolidated Condensed Financial Statements:

Standard		Effective Date
2016-13	Financial Instruments - Credit Losses (Topic 326): Measurement of Credit Losses on Financial Instruments	January 1, 2020
2018-13	Fair Value Measurement (Topic 820): Disclosure Framework - Changes to the Disclosure Requirements for Fair Value Measurement	January 1, 2020
2018-14	Compensation - Retirement Benefits - Defined Benefit Plans - General (Subtopic 715-20): Disclosure Framework - Changes to the Disclosure Requirements for Defined Benefit Plans	January 1, 2021
2018-15	Intangibles - Goodwill and Other - Internal-Use Software (Subtopic 350-40): Customer's Accounting for Implementation Costs Incurred In a Cloud Computing Arrangement That Is a Service Contract	January 1, 2020

All other issued and not yet effective accounting standards are not relevant to the Company.

(2) REVENUE RECOGNITION

Disaggregation of Revenue

The following table presents our disaggregated revenues by revenue source. We sell products within all product categories in each operating segment. Revenues related to compressors are fully reflected in our Latin America segment. For additional information on the disaggregated revenues by geographical regions, see Note 15 to the Consolidated Condensed Financial Statements.

Millions of dollars	Three Months Ended March 31,	
	2019	2018
Major product categories:		
Laundry	\$ 1,483	\$ 1,562
Refrigeration	1,363	1,291
Cooking	1,044	1,049
Dishwashing	364	396
Total major product category net sales	\$ 4,254	\$ 4,298
Compressors	312	296
Spare parts and warranties	191	273
Other	3	44
Total net sales	\$ 4,760	\$ 4,911

The impact to revenue related to prior period performance obligations was not material for the three months ended March 31, 2019 .

Bad Debt Expense

Bad debt expense was not material for the three months ended March 31, 2019 .

(3) LEASES

Leases

We lease certain warehouses/distribution centers, office space, land, vehicles, and equipment. At lease inception, we determine the lease term by assuming the exercise of those renewal options that are reasonably assured. Leases with an initial term of 12 months or less are not recorded in the Consolidated Condensed Balance Sheets and we recognize lease expense for these leases on a straight-line basis over the lease term. The Company has operating lease costs of approximately \$52 million for the period ended March 31, 2019 . As of March 31, 2019 , we have approximately \$82 million of non-cancelable operating lease commitments, primarily for warehouses, that have not yet commenced. These operating leases will commence between fiscal year 2019 and fiscal year 2020 with lease terms of 1 year to 25 years .

At March 31, 2019 , we have no financing leases and we have approximately \$985 million of non-cancelable operating lease commitments, excluding variable consideration. The undiscounted annual future minimum lease payments are summarized by year in the table below:

Maturity of Lease Liabilities	Operating Leases (in millions)	
2019	\$	145
2020		173
2021		141
2022		118
2023		106
After 2023		302
Total lease payments	\$	985
Less interest		143
Present value of lease liabilities (1)	\$	842

(1) Present value of lease liabilities includes liabilities held for sale.

The long-term portion of the lease liabilities included in the amounts above is \$ 649 million , and the remainder of our lease liabilities are included in other current liabilities in the Consolidated Condensed Balance Sheets.

At March 31, 2019 , the weighted average remaining lease term and weighted average discount rate for operating leases was 7 years and 5% .

During the period ended March 31, 2019 the cash paid for amounts included in the measurement of the liabilities and the operating cash flows was \$50 million . The right of use assets obtained in exchange for new liabilities was \$18 million .

Many of our leases include renewal options that can extend the lease term. The execution of those renewal options is at our sole discretion.

Certain leases also include options to purchase the underlying asset at fair market value. If leased assets have leasehold improvements, typically the depreciable life of those leasehold improvements are limited by the expected lease term. Additionally, certain lease agreements include lease payment adjustments for inflation.

Our lease agreements do not contain any material residual value guarantees or material restrictive covenants.

We rent or sublease certain real estate to third parties. Our sublease portfolio primarily consists of operating leases within our warehouses, resulting in a nominal amount of sublease income in 2019 .

(4) CASH, CASH EQUIVALENTS AND RESTRICTED CASH

The following table provides a reconciliation of cash, cash equivalents and restricted cash as reported within our Consolidated Condensed Statements of Cash Flows:

Millions of dollars	March 31,

Cash, cash equivalents and restricted cash as presented in our Consolidated Condensed Statements of Cash Flows	<u>\$ 1,195</u>	<u>\$ 1,124</u>

(1) Change in restricted cash resulted in realization of foreign currency translation adjustments of (\$2 million) and (\$3 million), respectively, for the three months ended March 31, 2019 and 2018 compared to the prior fiscal year end.

Millions of dollars	December 31,

Restricted cash can only be used to fund capital expenditures and technical resources to enhance Whirlpool China's research and development and working capital, as required by the terms of the Whirlpool China (formerly Hefei Sanyo) acquisition completed in October 2014.

(5) INVENTORIES

The following table summarizes our inventory at March 31, 2019 and December 31, 2018 :

LIFO inventories represented 44% and 41% of total inventories at March 31, 2019 and December 31, 2018 , respectively.

(6) PROPERTY, PLANT & EQUIPMENT

The following table summarizes our property, plant and equipment at March 31, 2019 and December 31, 2018 :

Machinery and equipment	7,917	7,909
Accumulated depreciation	(6,263)	(6,190)
Property, plant and equipment, net	\$ 3,358	\$ 3,414

During the three months ended March 31, 2019 , we disposed of buildings, machinery and equipment no longer in use with a net book value of \$3 million and the loss on the disposal was not material.

(7) FINANCING ARRANGEMENTS

Debt Offering

On February 26, 2019, Whirlpool Corporation, completed a bond offering of \$700 million principal amount of 4.75% Senior Notes due in 2029. The notes contain covenants that limit Whirlpool Corporation's ability to incur certain liens or enter into certain sale and lease-back transactions. In addition, if we experience a specific kind of change of control, we are required to make an offer to purchase all of the notes at a purchase price of 101% of the principal amount thereof, plus accrued and unpaid interest. The notes are registered under the Securities Act of 1933, as amended, pursuant to our Registration Statement on Form S-3 (File No.333-224381) previously filed with the Securities and Exchange Commission.

Debt Repayment

On February 27, 2019, we repaid €600 million (approximately \$673 million) pursuant to our June 5, 2018 term loan agreement with Wells Fargo Bank, National Association, as Administrative Agent, and certain other financial institutions (the "Whirlpool EMEA Finance Term Loan"), representing full repayment of amounts borrowed under the Whirlpool EMEA Finance Term Loan. On March 1, 2019, \$250 million of 2.40% senior notes matured and were repaid.

Term Loan Agreements

On April 23, 2018 the Company entered into, and on May 14, 2018 and August 30, 2018 the Company amended, a Term Loan Agreement (the "Term Loan Agreement") by and among the Company, Citibank, N.A., as Administrative Agent, JPMorgan Chase Bank, N.A. as Syndication Agent, and certain other financial institutions. Citibank, N.A., JPMorgan Chase Bank, N.A., BNP Paribas Securities Corp., Mizuho Bank, Ltd., and Wells Fargo Securities, LLC acted as Joint Lead Arrangers and Joint Bookrunners for the Term Loan Agreement. The Term Loan Agreement provides for an aggregate lender commitment of \$1.0 billion and is recorded in notes payable in our Consolidated Condensed Balance Sheets. The Term Loan Agreement has a maturity date of April 22, 2019, which date may be extended by the Company, in its discretion, prior to the maturity date for an additional six months. On March 27, 2019 the Company extended the Termination Date of the Term Loan Agreement for an additional six months to October 23, 2019. The Company also has agreed to repay the outstanding term loan amounts with the net cash proceeds received from the closing of the Embraco sale transaction. The proceeds of the Term Loan Agreement were used to fund accelerated share repurchases through a modified Dutch auction tender offer.

The interest and fee rates payable with respect to the term loan facility based on the Company's current debt rating are as follows: (1) the spread over LIBOR is 1.125% ; (2) the spread over prime is 0.125% ; and (3) the ticking fee is 0.125% , as of the date hereof. The Term Loan Agreement, as amended, contains customary covenants and warranties including, among other things, a debt to capitalization ratio of less than or equal to 0.65 to 1.00 as of the last day of each fiscal quarter, and a rolling twelve month interest coverage ratio required to be greater than or equal to 3.0 to 1.0 for each fiscal quarter. In addition, the covenants limit the Company's ability to (or to permit any subsidiaries to), subject to various exceptions and limitations: (i) merge with other companies; (ii) create liens on its property; (iii) incur debt or off-balance sheet obligations at the subsidiary level; (iv) enter into transactions with affiliates, except on an arms-length basis or with or between subsidiaries; (v) enter into agreements restricting the payment of subsidiary dividends

or restricting the making of loans or repayment of debt by subsidiaries to the Company or other subsidiaries; and (vi) enter into agreements restricting the creation of liens on its assets.

Credit Facilities

On September 27, 2017, Whirlpool Corporation exercised its commitment increase and term extension rights under the Third Amended and Restated Long-Term Credit Agreement (the "Amended Long-Term Facility") by and among the Company, certain other borrowers, the lenders referred to therein, JPMorgan Chase Bank, N.A. as Administrative Agent, and Citibank, N.A., as Syndication Agent. In connection with this exercise, the Company entered into a Consent to Commitment Increase agreement with the Administrative Agent, which increases aggregate borrowing capacity under the Amended Long-Term Facility from \$2.5 billion to \$3.0 billion, and the Administrative Agent received extension request consents from a majority of lenders, which extends the termination date of the Amended Long-Term Facility by one year, to May 17, 2022. On March 28, 2019, the Amended Long-Term Facility was amended to add one of the Company's U.K. subsidiaries as an additional borrower.

The interest and fee rates payable with respect to the Amended Long-Term Facility based on our current debt rating are as follows: (1) the spread over LIBOR is 1.125% ; (2) the spread over prime is 0.125% ; and (3) the unused commitment fee is 0.125% . The Amended Long-Term Facility, as amended, contains customary covenants and warranties including, among other things, a debt to capitalization ratio of less than or equal to 0.65 to 1.00 as of the last day of each fiscal quarter, and a rolling twelve month interest coverage ratio required to be greater than or equal to 3.0 to 1.0 for each fiscal quarter. In addition, the covenants limit our ability to (or to permit any subsidiaries to), subject to various exceptions and limitations: (i) merge with other companies; (ii) create liens on our property; (iii) incur debt or off-balance sheet obligations at the subsidiary level; (iv) enter into transactions with affiliates, except on an arms-length basis or with or between subsidiaries; (v) enter into agreements restricting the payment of subsidiary dividends or restricting the making of loans or repayment of debt by subsidiaries to the Company or other subsidiaries; and (vi) enter into agreements restricting the creation of liens on our assets.

In addition to the committed \$3.0 billion Amended Long-Term Facility, we have a committed European facility and committed credit facilities in Brazil. The European facility provides borrowings up to €250 million (approximately \$280 million at March 31, 2019 and \$286 million at December 31, 2018), maturing on September 26, 2019. The committed credit facilities in Brazil provide borrowings up to 1.0 billion Brazilian reais (approximately \$257 million at March 31, 2019 and \$258 million at December 31, 2018), maturing through 2022.

We had no borrowings outstanding under the committed credit facilities at March 31, 2019 or December 31, 2018 .

Notes Payable

Notes payable, which consist of short-term borrowings payable to banks or commercial paper, are generally used to fund working capital requirements. The fair value of our notes payable approximates the carrying amount due to the short maturity of these obligations.

The following table summarizes the carrying value of notes payable at March 31, 2019 and December 31, 2018 :

Millions of dollars	March 31, 2019	December 31, 2018
Commercial paper	\$ 800	\$ —
Short-term borrowings due to banks	1,219	1,034
Total notes payable	\$ 2,019	\$ 1,034

Transfers and Servicing of Financial Assets

In an effort to manage economic and geographic trade customer risk, from time to time, the Company will transfer, primarily without recourse, accounts receivable balances of certain customers to financial institutions resulting in a nominal impact recorded in interest and sundry (income) expense. These transactions are accounted for as sales of the receivables resulting in the receivables being de-recognized from the Consolidated Condensed Balance Sheets. These transfers primarily do not require continuing involvement from the Company, however certain arrangements include servicing of transferred receivables by Whirlpool. Outstanding accounts receivable transferred under arrangements where the Company continues to service the transferred asset were \$233 million and \$161 million as of March 31, 2019 and December 31, 2018 , respectively.

(8) COMMITMENTS AND CONTINGENCIES

Embraco Antitrust Matters

Beginning in February 2009, our compressor business headquartered in Brazil ("Embraco") was notified of antitrust investigations of the global compressor industry by government authorities in various jurisdictions. Embraco has resolved government investigations and related claims in various jurisdictions and certain other claims remain pending.

We continue to defend these actions. While it is currently not possible to reasonably estimate the aggregate amount of costs which we may incur in connection with these matters, such costs could have a material adverse effect on our financial statements in any particular reporting period.

BEFIEC Credits and Other Brazil Tax Matters

In previous years, our Brazilian operations earned tax credits under the Brazilian government's export incentive program (BEFIEC). These credits reduced Brazilian federal excise taxes on domestic sales. Prior to the adoption of Topic 606, the excise taxes in our Brazilian operations were reflected in revenue. In accordance with Topic 606, we made a policy election to exclude non-income taxes from the transaction price. As a result, these credits were reflected in interest and sundry (income) expense as they were monetized in 2017 and 2018.

In December 2013, the Brazilian government reinstated the monetary adjustment index applicable to BEFIEC credits that existed prior to July 2009, when the Brazilian government required companies to apply a different monetary adjustment index to BEFIEC credits. Whether use of the reinstated index should be given retroactive effect for the July 2009 to December 2013 period has been subject to review by the Brazilian courts. In the third quarter of 2017, the Brazilian Supreme Court ruled that the reinstated index should be given retroactive effect for the July 2009 to December 2013 period, which ruling has been appealed by the Brazilian government. Based on this ruling, we were entitled to recognize \$72 million in additional credits. As of March 31, 2019, no BEFIEC credits remain to be monetized.

Our Brazilian operations have received tax assessments for income and social contribution taxes associated with certain monetized BEFIEC credits. We do not believe BEFIEC credits are subject to income or social contribution taxes. We believe these tax assessments are without merit and are vigorously defending our positions. We have not provided for income or social contribution taxes on these BEFIEC credits, and based on the opinions of tax and legal advisors, we have not accrued any amount related to these assessments as of March 31, 2019. The total amount of outstanding tax assessments received for income and social contribution taxes relating to the BEFIEC credits, including interest and penalties, is approximately 1.9 billion Brazilian reais (approximately \$487 million as of March 31, 2019).

Relying on existing Brazilian legal precedent, in 2003 and 2004, we recognized tax credits in an aggregate amount of \$26 million, adjusted for currency, on the purchase of raw materials used in production ("IPI tax credits"). The Brazilian tax authority subsequently challenged the recording of IPI tax credits. No credits have been recognized since 2004. In 2009, we entered into a Brazilian government program ("IPI Amnesty") which provided extended payment terms and reduced penalties and interest to encourage tax payers to resolve this and certain other disputed tax credit amounts. As permitted by the program, we elected to settle certain debts through the use of other existing tax credits and recorded charges of approximately \$34 million in 2009 associated with these matters. In July 2012, the Brazilian revenue authority notified us that a portion of our proposed settlement was rejected and we received tax assessments of 250 million Brazilian reais (approximately \$64 million as of March 31, 2019), reflecting interest and penalties to date. We believe these tax assessments are without merit and we are vigorously defending our position. The government's assessment in this case relies heavily on its arguments regarding taxability of BEFIEC credits for certain years, which we are disputing in one of the BEFIEC government assessment cases cited in the prior paragraph. Because the IPI Amnesty case is moving faster than the BEFIEC taxability case, we could be required to pay the IPI Amnesty assessment before obtaining a final decision in the BEFIEC taxability case.

In 2001, Brazil adopted a law making the profits of controlled foreign corporations of Brazilian entities subject to income and social contribution tax regardless of whether the profits were repatriated ("CFC Tax"). Our Brazilian subsidiary, along with other corporations, challenged tax assessments on foreign profits on constitutionality and other grounds. In April 2013, the Brazilian Supreme Court ruled on one of our cases, finding that the law is constitutional, but remanded the case to a lower court for consideration of other arguments raised in our appeal, including the existence of tax treaties with jurisdictions in which controlled foreign corporations are domiciled. As of March 31, 2019, our potential exposure for income and social contribution taxes relating to profits of controlled foreign corporations, including interest and penalties and net of expected foreign tax credits, is approximately 209 million Brazilian reais (approximately \$54 million as of March 31, 2019). We believe these tax assessments are without merit.

and are vigorously defending our positions. Based on the opinion of our tax and legal advisors, we have not accrued any amount related to these assessments as of March 31, 2019.

In addition to the IPI tax credit and CFC Tax matters noted above, other assessments issued to us by the Brazilian tax authorities related to non-income and income tax matters, and other matters, are at various stages of review in numerous administrative and judicial proceedings. The amounts related to these assessments will continue to be increased by monetary adjustments at the Selic rate, which is the benchmark rate set by the Brazilian Central Bank. In accordance with our accounting policies, we routinely assess these matters and, when necessary, record our best estimate of a loss. We believe these tax assessments are without merit and are vigorously defending our positions.

Litigation is inherently unpredictable and the conclusion of these matters may take many years to ultimately resolve. Amounts at issue in potential future litigation could increase as a result of interest and penalties in future periods. Accordingly, it is possible that an unfavorable outcome in these proceedings could have a material adverse effect on our financial statements in any particular reporting period.

We also filed legal actions to recover certain social integration and social contribution taxes paid over gross sales including ICMS receipts, which is a form of Value Added Tax in Brazil. During 2017, we sold the rights to certain portions of this litigation to a third party for 90 million Brazilian reais (approximately \$27 million at December 31, 2017).

In the first quarter of 2019, we received a favorable decision in the largest of these legal actions. This decision is final and not subject to appeals. Based on the opinion of our tax and legal advisors, we recognized a gain of approximately \$84 million, after related taxes and fees, during the first quarter in connection with this decision, reflecting approximately \$142 million in indirect tax credits ("credits") that we are entitled to monetize in future periods, offset by approximately \$43 million and \$15 million in taxes and fees, respectively, that we anticipate will be paid in 2019. The credits and related fees are recorded in interest and sundry (income) expense in our Consolidated Condensed Statements of Comprehensive Income. The Brazilian tax authorities have sought clarification before the Brazilian Supreme Court of certain matters, including the amount of these credits (i.e., the gross rate or net credit amount), and certain other matters that could affect the rights of Brazilian taxpayers regarding these credits. If the Brazilian tax authorities challenge our rights to these credits, we may become subject to new litigation related to credits already monetized and/or disallowance of further credit monetization. Based on the opinion of our tax and legal advisors, we have not accrued any amounts related to potential future litigation regarding these credits.

The Company has similar cases with other Brazilian subsidiaries related to approximately \$70 million in potential credits for which we have yet to receive a ruling. While the Company's recovery with respect to the remaining litigation may be material, there is substantial uncertainty about both the amount and timing of any recovery, and as such no amounts have been recognized.

Competition Investigation

In 2013, the French Competition Authority ("FCA") commenced an investigation of appliance manufacturers and retailers in France. The investigation includes a number of manufacturers, including the Whirlpool and Indesit operations in France.

On June 26, 2018, Whirlpool France SAS, a subsidiary of the Company, reached an agreement with the staff of the FCA to settle the first part of its investigation, which relates to a 14-month period during parts of 2006-07 and 2008-09. In the third quarter of 2018, we accrued €95 million after entering into a preliminary settlement agreement with the FCA. On December 6, 2018, the FCA's college issued its final decision, setting the final amount of the fine at €102 million, with €56 million attributable to Whirlpool's France business and €46 million attributable to Indesit's France business. Under the terms of a settlement with Indesit's former owners, the former owners are obligated to pay €17 million out of escrow to the Company. Payment of the Indesit portion of the FCA fine (€46 million, or approximately \$52 million at March 31, 2019) was made in the first quarter of 2019 and payment of the Whirlpool portion of the FCA fine (€56 million, or approximately \$63 million at March 31, 2019) was made in April 2019. The Company expects payment to the Company from Indesit's former owners to be made in the second quarter of 2019.

The second part of the FCA investigation, which is expected to focus primarily on manufacturer interactions with retailers, is ongoing but at a less advanced stage. The Company is cooperating with this investigation. Although it is currently not possible to assess the impact, if any, this matter may have on our financial statements, the resolution of the second part of the FCA investigation could have a material adverse effect on our financial statements in any particular reporting period.

Trade Customer Insolvency

In 2017, Alno AG and certain affiliated companies filed for insolvency protection in Germany. Bauknecht Hausgeräte GmbH, a subsidiary of the Company, was a long-standing supplier to Alno and certain of its affiliated companies. The Company was also a former indirect minority shareholder of Alno. In August 2018, the insolvency trustee asserted €174.5 million in clawback and related claims against Bauknecht. We are reviewing the claims made by the insolvency trustee. Based on our preliminary understanding of the facts and the applicable law, we expect to vigorously defend against the claims. Although it is currently not possible to assess the impact this matter may have on our Consolidated Condensed Financial Statements, the resolution of this matter could have a material adverse effect on our financial statements in any particular reporting period.

Other Litigation

We are currently defending against two lawsuits that have been certified for class action treatment in U.S. federal court, relating to two top-load washing machine models. We believe the lawsuits are without merit and are vigorously defending them. Given the preliminary stage of the proceedings, we cannot reasonably estimate a range of loss, if any, at this time. The resolution of this matter could have a material adverse effect on our financial statements in any particular reporting period.

We are currently vigorously defending a number of other lawsuits related to the manufacture and sale of our products which include class action allegations, and may become involved in similar actions. These lawsuits allege claims which include negligence, breach of contract, breach of warranty, product liability and safety claims, false advertising, fraud, and violation of federal and state regulations, including consumer protection laws. In general, we do not have insurance coverage for class action lawsuits. We are also involved in various other legal actions arising in the normal course of business, for which insurance coverage may or may not be available depending on the nature of the action. We dispute the merits of these suits and actions, and intend to vigorously defend them. Management believes, based upon its current knowledge, after taking into consideration legal counsel's evaluation of such suits and actions, and after taking into account current litigation accruals, that the outcome of these matters currently pending against Whirlpool should not have a material adverse effect, if any, on our financial statements.

Product Warranty and Legacy Product Corrective Action Reserves

Product warranty reserves are included in other current and other noncurrent liabilities in our Consolidated Condensed Balance Sheets. The following table summarizes the changes in total product warranty liability reserves for the periods presented:

Millions of dollars	Product Warranty	
	2019	2018
Balance at January 1	\$ 268	\$ 277
Issuances/accruals during the period	67	85
Settlements made during the period/other	(80)	(83)
Balance at March 31	\$ 255	\$ 279
Current portion	\$ 182	\$ 202
Non-current portion	73	77
Total	\$ 255	\$ 279

In the normal course of business, we engage in investigations of potential quality and safety issues. As part of our ongoing effort to deliver quality products to consumers, we are currently investigating certain potential quality and safety issues globally. As necessary, we undertake to effect repair or replacement of appliances in the event that an investigation leads to the conclusion that such action is warranted.

Guarantees

We have guarantee arrangements in a Brazilian subsidiary. For certain credit worthy customers, the subsidiary guarantees customer lines of credit at commercial banks to support purchases following its normal credit policies. If

a customer were to default on its line of credit with the bank, our subsidiary would be required to assume the line of credit and satisfy the obligation with the bank. At March 31, 2019 and December 31, 2018, the guaranteed amounts totaled \$104 million and \$146 million, respectively. The fair value of these guarantees were nominal at March 31, 2019 and December 31, 2018. Our subsidiary insures against a significant portion of this credit risk for these guarantees, under normal operating conditions, through policies purchased from high-quality underwriters.

We provide guarantees of indebtedness and lines of credit for various consolidated subsidiaries. The maximum contractual amount of indebtedness and credit facilities available under these lines for consolidated subsidiaries totaled \$2.5 billion and \$3.5 billion at March 31, 2019 and December 31, 2018, respectively. Our total short-term outstanding bank indebtedness under guarantees was \$17 million at March 31, 2019 and \$21 million at December 31, 2018.

During the second quarter 2011, we modified retiree medical benefits for certain retirees to be consistent with those benefits provided by the Whirlpool Corporation Group Benefit Plan. We accounted for these changes as a plan amendment in 2011, resulting in a reduction in the postretirement benefit obligation of \$ 138 million, of which approximately \$89 million of benefit has been recognized in net earnings since 2011, with an offset to accumulated other comprehensive loss, net of tax. In response, a group of retirees initiated legal proceedings against Whirlpool asserting the above benefits are vested and changes to the plan are not permitted.

On February 15, 2019, we received a favorable decision from the United States Court of Appeals for the Sixth Circuit, which held that the benefits at issue are not vested for life and may be altered. Plaintiffs could seek further review of the Court's decision. On April 4, 2019, the Sixth Circuit Court issued a mandate to the district court, requiring it to take steps to implement this decision. The amount incurred in the first quarter of 2019 related to this decision was not material and we do not expect a material financial impact in future periods.

(10) HEDGES AND DERIVATIVE FINANCIAL INSTRUMENTS

Derivative instruments are accounted for at fair value based on market rates. Derivatives where we elect hedge accounting are designated as either cash flow, fair value or net investment hedges. Derivatives that are not accounted for based on hedge accounting are marked to market through earnings. The accounting for changes in the fair value of a derivative depends on the intended use and designation of the derivative instrument. Hedging ineffectiveness and a net earnings impact occur when the change in the fair value of the hedge does not offset the change in the fair value of the hedged item. The ineffective portion of the gain or loss is recognized in earnings. The fair value of the hedge asset or liability is presented in either other current assets/liabilities or other noncurrent assets/liabilities in the Consolidated Condensed Balance Sheets and in other within cash used in operating activities in the Consolidated Condensed Statements of Cash Flows.

Using derivative instruments means assuming counterparty credit risk. Counterparty credit risk relates to the loss we could incur if a counterparty were to default on a derivative contract. We generally deal with investment grade counterparties and monitor the overall credit risk and exposure to individual counterparties. We do not anticipate nonperformance by any counterparties. The amount of counterparty credit exposure is limited to the unrealized gains, if any, on such derivative contracts. We do not require nor do we post collateral on such contracts.

Hedging Strategy

In the normal course of business, we manage risks relating to our ongoing business operations including those arising from changes in foreign exchange rates, interest rates and commodity prices. Fluctuations in these rates and prices can affect our operating results and financial condition. We use a variety of strategies, including the use of derivative instruments, to manage these risks. We do not enter into derivative financial instruments for trading or speculative purposes.

Foreign Currency Exchange Rate Risk

We incur expenses associated with the procurement and production of products in a limited number of countries, while we sell in the local currencies of a large number of countries. Our primary foreign currency exchange exposures result from cross-currency sales of products. As a result, we enter into foreign exchange contracts to hedge certain firm commitments and forecasted transactions to acquire products and services that are denominated in foreign currencies.

We enter into certain undesignated non-functional currency asset and liability hedges that relate primarily to short-term payables, receivables and intercompany loans. These forecasted cross-currency cash flows relate primarily to foreign currency denominated expenditures and intercompany financing agreements, royalty agreements and dividends. When we hedge a foreign currency denominated payable or receivable with a derivative, the effect of changes in the foreign exchange rates are reflected in interest and sundry (income) expense for both the payable/receivable and the derivative. Therefore, as a result of this economic hedge, we do not elect hedge accounting.

Commodity Price Risk

We enter into commodity derivative contracts on various commodities to manage the price risk associated with forecasted purchases of materials used in our manufacturing process. The objective of these hedges is to reduce the variability of cash flows associated with the forecasted purchase of commodities.

Interest Rate Risk

We may enter into interest rate swap agreements to manage interest rate risk exposure. Our interest rate swap agreements, if any, effectively modify our exposure to interest rate risk, primarily through converting certain floating rate debt to a fixed rate basis, and certain fixed rate debt to a floating rate basis. These agreements involve either the receipt or payment of floating rate amounts in exchange for fixed rate interest payments or receipts, respectively, over the life of the agreements without an exchange of the underlying principal amounts. We also may utilize a cross-currency interest rate swap agreement to manage our exposure relating to certain intercompany debt denominated in one foreign currency that will be repaid in another foreign currency. At March 31, 2019 there was \$700 million notional amount of outstanding interest rate swap agreements. At December 31, 2018 there were no outstanding interest rate swap agreements.

We enter into swap rate lock agreements to effectively modify our exposure to interest rate risk by locking in interest rates on probable long-term debt issuances.

Net Investment Hedging

The following table summarizes our foreign currency denominated debt and foreign exchange forwards/options designated as net investment hedges at March 31, 2019 and December 31, 2018 :

Instrument	Notional (Local)		Notional (USD)		Current Maturity
	2019	2018	2019	2018	
Senior note - 0.625%	€ 500	€ 500	\$ 561	\$ 573	March 2020

Foreign exchange forwards/options	MXN 7,200	MXN 7,200	\$ 372	\$ 366	August 2022

For instruments that are designated and qualify as a net investment hedge, the effective portion of the instruments' gain or loss is reported as a component of other comprehensive income (OCI) and recorded in accumulated other comprehensive loss. The gain or loss will be subsequently reclassified into net earnings when the hedged net investment is either sold or substantially liquidated. The remaining change in fair value of the hedge instruments represents the ineffective portion, which is immediately recognized in interest and sundry (income) expense in our Consolidated Condensed Statements of Comprehensive Income. As of March 31, 2019 and December 31, 2018, there was no ineffectiveness on hedges designated as net investment hedges.

The following table summarizes our outstanding derivative contracts and their effects in our Consolidated Condensed Balance Sheets at March 31, 2019 and December 31, 2018 :

⁽¹⁾ The tax impact of the cash flow hedges was \$5 million for the three months ended March 31, 2019 and 2018. The tax impact of the net investment hedges was \$1 million and \$12 million for the three months ended March 31, 2019 and 2018, respectively.

⁽²⁾ Cost for commodity swaps/options are recognized in cost of sales as products are sold.

For cash flow hedges, the amount of ineffectiveness recognized in interest and sundry (income) expense was nominal for the periods ended March 31, 2019 and 2018. There were no hedges designated as fair value for the periods ended March 31, 2019 and 2018. The net amount of unrealized gain or loss on derivative instruments included in accumulated OCI related to contracts maturing and expected to be realized during the next twelve months is a gain of \$31 million at March 31, 2019.

(11) FAIR VALUE MEASUREMENTS

Fair value is measured based on an exit price, representing the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants. As such, fair value is a market-based measurement that should be determined based on assumptions market participants would use in pricing an asset or liability. Assets and liabilities measured at fair value are based on a market valuation approach using prices and other

relevant information generated by market transactions involving identical or comparable assets or liabilities. As a basis for considering such assumptions, a three-tiered fair value hierarchy is established, which prioritizes the inputs used in measuring fair value as follows: (Level 1) observable inputs such as quoted prices in active markets; (Level 2) inputs, other than the quoted prices in active markets that are observable, either directly or indirectly; and (Level 3) unobservable inputs in which there is little or no market data, which require the reporting entity to develop its own assumptions.

The following table summarizes the valuation of our assets and liabilities measured at fair value on a recurring basis at March 31, 2019 and December 31, 2018 are as follows:

Millions of dollars Measured at fair value on a recurring basis:	Total Cost Basis		Fair Value					
			Level 1		Level 2		Total

(1) Money market funds are comprised primarily of government obligations or time deposits with banks and other first tier obligations.

Other Fair Value Measurements

The fair value of long-term debt (including current maturities) was \$4.75 billion and \$4.17 billion at March 31, 2019 and December 31, 2018, respectively, and was estimated using discounted cash flow analysis based on incremental borrowing rates for similar types of borrowing arrangements (Level 2 input).

Share Repurchase Program

On July 25, 2017, our Board of Directors authorized a share repurchase program of up to \$2 billion . During the three months ended March 31, 2019 , we repurchased 360,326 shares under this share repurchase program at an aggregate price of approximately \$50 million . At March 31, 2019 , there were approximately \$750 million in remaining funds authorized under this program.

Share repurchases are made from time to time on the open market as conditions warrant. These programs do not obligate us to repurchase any of our shares and they have no expiration date.

(13) RESTRUCTURING CHARGES

We periodically take action to improve operating efficiencies, typically in connection with business acquisitions or changes in the economic environment. Our footprint and headcount reductions and organizational integration actions relate to discrete, unique restructuring events, primarily reflected in the following plans:

In 2015, we committed to a restructuring plan to integrate our Italian legacy operations with those of Indesit. The industrial restructuring plan which was approved by the relevant labor unions and signed by the Italian government in 2015, provided for the closure or repurposing of certain manufacturing facilities and headcount reductions at other facilities. In addition, the restructuring plan provided for headcount reductions in the salaried employee workforce. These actions are substantially complete.

In 2018, we announced actions in EMEA to reduce fixed costs by \$50 million . The initiatives primarily include headcount reductions throughout the EMEA region and the exit from domestic sales operations in Turkey. We expect these actions will be complete in 2019 with approximately \$43 million expense remaining.

The following table summarizes the restructuring actions above for the three months ended March 31, 2019 and the total costs to date for each plan:

Millions of dollars	2019	Total
Indesit	2	230
EMEA fixed cost actions	19	33

The following table summarizes the changes to our restructuring liability during the three months ended March 31, 2019 :

(14) INCOME TAXES

Income tax benefit was \$132 million for the three months ended March 31, 2019 compared to income tax expense of \$15 million in the same period of 2018. For the three months ended March 31, 2019, changes in the effective tax rate from the prior period include valuation allowance releases, partially offset by overall higher level of earnings and related tax expense.

The following table summarizes the difference between income tax (benefit) expense at the U.S. statutory rate of 21% and the income tax (benefit) expense at effective worldwide tax rates for the respective periods:

Millions of dollars	Three Months Ended March 31,	
	2019	2018
Earnings before income taxes	\$ 342	\$ 109
Income tax (benefit) expense computed at United States statutory tax rate	72	23

U.S. foreign income items, net of credits	7	(11)
Other	24	3
Income tax (benefit) expense computed at effective worldwide tax rates	\$ (132)	\$ 15

At the end of each interim period, we make our best estimate of the effective tax rate expected to be applicable for the full fiscal year and the impact of discrete items, if any, and adjust the quarterly rate as necessary .

Valuation Allowances

We routinely review the future realization of deferred tax assets based on projected future reversal of taxable temporary differences, available tax planning strategies and projected future taxable income. We have reduced the valuation allowance to reflect the estimated amount of certain deferred tax assets associated with net operating losses and other deferred tax assets we believe are now more-likely-than-not to be realized. During the first quarter of 2019, upon completion of the \$700 million bond offering, we used the proceeds to refinance and recapitalize various entities in our Europe, Middle East and Africa ("EMEA") business unit. Based upon our existing transfer pricing policies, these actions are expected to provide sufficient future taxable income to realize the deferred tax assets. In addition, these actions inject additional internal capital into certain EMEA entities to meet local country capitalization requirements, repay all outstanding borrowings under the Whirlpool EMEA Finance Term Loan and prepare for the pending Embraco divestiture. Accordingly, we reduced the valuation allowance by \$235 million during the first quarter of 2019.

(15) SEGMENT INFORMATION

Our reportable segments are based upon geographical region and are defined as North America, EMEA, Latin America and Asia. These regions also represent our operating segments. Each segment manufactures home appliances and related components, but serves strategically different marketplaces. The chief operating decision maker evaluates performance based on each segment's earnings (loss) before interest and taxes (EBIT), which we define as operating profit less interest and sundry (income) expense and excluding restructuring costs, asset impairment charges and certain other items that management believes are not indicative of the Company's ongoing performance, if any. Total assets by segment are those assets directly associated with the respective operating activities. The "Other/Eliminations" column primarily includes corporate expenses, assets and eliminations, as well as restructuring costs and asset impairment charges, if any. Intersegment sales are eliminated within each region except compressor sales out of Latin America, which are included in Other/Eliminations.

The table below summarize performance by operating segment for the periods presented:

Please see "Embraco Sale Transaction" in the Management's Discussion and Analysis section for additional information on the agreement.

Embraco is reported within our Latin America reportable segment and meets the criteria for held for sale accounting. The operations of Embraco do not meet the criteria to be presented as discontinued operations.

ITEM 2. MANAGEMENT'S DISCUSSION AND ANALYSIS OF FINANCIAL CONDITION AND RESULTS OF OPERATIONS

ABOUT WHIRLPOOL

Whirlpool Corporation ("Whirlpool"), the world's leading major home appliance company, was incorporated in 1955 under the laws of Delaware and was founded in 1911. Whirlpool manufactures products in 14 countries and markets products in nearly every country around the world. We have received worldwide recognition for accomplishments in a variety of business and social efforts, including leadership, diversity, innovative product design, business ethics, social responsibility and community involvement. We conduct our business through four operating segments, which we define based on geography. Whirlpool's operating segments consist of North America, Europe, Middle East and Africa ("EMEA"), Latin America and Asia. Whirlpool had approximately \$21 billion in annual sales and 92,000 employees in 2018. The world's leading major home appliance company claim is based on most recently available publicly reported annual revenues among leading appliance manufacturers.

OVERVIEW

Whirlpool had first-quarter GAAP net earnings available to Whirlpool of \$471 million compared to GAAP net earnings available to Whirlpool of \$94 million in the same prior-year period. Current-year results were positively impacted by certain favorable tax items.

Whirlpool delivered ongoing (non-GAAP) EBIT margin of 6.3% (expansion of 30 basis points) driven by very impressive results in North America, positive price/mix and sustained fixed cost discipline. These results were partially offset by a weaker than expected demand environment and continued cost inflation.

Our first-quarter results strengthen our confidence in delivering on our full-year financial commitments of margin expansion and improved free cash conversion.

RESULTS OF OPERATIONS

The following table summarizes the consolidated results of operations for the periods presented:

Consolidated net sales decreased 3.1% for the three months ended March 31, 2019, compared to the same period in 2018. The decrease for the three months ended was primarily driven by unfavorable impacts from foreign currency and unit volume declines, partially offset by favorable product price/mix. Excluding the impact of foreign currency, consolidated net sales increased 1.0% for the three months ended March 31, 2019, compared to the same period in 2018.

For additional information regarding non-GAAP financial measures including net sales excluding the impact of foreign currency, see the Non-GAAP Financial Measures section of this Management's Discussion and Analysis.

The consolidated gross margin percentage increased to 17.1% for the three months ended March 31, 2019 compared to 16.5% for the same period in 2018 which reflects favorable product price/mix, partially offset by lower unit volume, raw material inflation and impact of foreign currency.

Our reportable operating segments are based upon geographical region and are defined as North America, EMEA, Latin America and Asia. The chief operating decision maker evaluates performance based on each segment's earnings (loss) before interest and taxes (EBIT), which we define as operating profit less interest and sundry (income) expense and excluding restructuring costs, asset impairment charges and certain other items that management believes are not indicative of the Company's ongoing performance, if any. For additional information, see Note 15 to the Consolidated Condensed Financial Statements.

We incurred restructuring charges of \$26 million for the three months ended March 31, 2019 , respectively, compared to \$144 million for the same period in 2018 . For the full year 2019, we expect to incur approximately \$100 million of restructuring charges, as we reduce fixed costs primarily in the EMEA region.

For additional information, see Note 13 to the Consolidated Condensed Financial Statements.

Interest and Sundry (Income) Expense

Interest and sundry (income) expense for the three months ended March 31, 2019 increased compared to the same period in 2018 . The increase in sundry income for the three months ended was primarily due to the Brazil indirect tax credit recorded of \$127 million which reflects \$142 million of indirect tax credits, net of related fees. For additional information, see Note 8 to the Consolidated Condensed Financial Statements.

Interest Expense

Interest expense for the three months ended March 31, 2019 increased compared to the same period in 2018 primarily due to higher average short-term debt balances.

Income Taxes

Income tax benefit was \$132 million for the three months ended March 31, 2019 compared to income tax expense of \$15 million in the same periods of 2018. For the three months ended March 31, 2019 , changes in the effective tax rate from the prior period include valuation allowance releases, partially offset by overall higher level of earnings and related tax expense.

For additional information, see Note 14 to the Consolidated Condensed Financial Statements.

FINANCIAL CONDITION AND LIQUIDITY

Our objective is to finance our business through operating cash flow and the appropriate mix of long-term and short-term debt. By diversifying the maturity structure, we avoid concentrations of debt, reducing liquidity risk. We have varying needs for short-term working capital financing as a result of the nature of our business. We regularly review our capital structure and liquidity priorities, which include funding the business through capital and engineering spending to support innovation and productivity initiatives, funding our pension plan and term debt liabilities, providing return to shareholders and potential acquisitions.

Our short-term potential uses of liquidity include funding our ongoing capital spending, restructuring activities and returns to shareholders. We also have \$568 million of long-term debt maturing in the next twelve months, and are currently evaluating our options in connection with this maturing debt, which may include repayment through refinancing, free cash flow generation, or cash on hand.

At March 31, 2019, we have \$2,019 million of notes payable which consist of short-term borrowings payable to banks and commercial paper, which are generally used to fund working capital requirements. For additional information, see Note 7 to the Consolidated Condensed Financial Statements.

We monitor the credit ratings and market indicators of credit risk of our lending, depository, derivative counterparty banks, and customers regularly, and take certain actions to manage credit risk. We diversify our deposits and investments in short-term cash equivalents to limit the concentration of exposure by counterparty.

At March 31, 2019, we had cash or cash equivalents greater than 1% of our consolidated assets in China and Brazil, which represented 2.4% and 1.5%, respectively. In addition, we did not have any third-party accounts receivable greater than 1% of our consolidated assets in any single country outside of North America. We continue to monitor general financial instability and uncertainty globally.

The Company had cash and cash equivalents of approximately \$1.2 billion at March 31, 2019, of which substantially all was held by subsidiaries in foreign countries. For each of its foreign subsidiaries, the Company makes an assertion regarding the amount of earnings intended for permanent reinvestment, with the balance available to be repatriated to the United States. The cash held by foreign subsidiaries for permanent reinvestment is generally used to finance the subsidiaries' operational activities and future foreign investments. Our intent is to permanently reinvest these funds outside of the United States and our current plans do not demonstrate a need to repatriate the cash to fund our U.S. operations. However, if these funds were repatriated, we would be required to accrue and pay applicable United States taxes (if any) and withholding taxes payable to various countries. It is not practical to estimate the amount of the deferred tax liability associated with the repatriation of cash due to the complexity of its hypothetical calculation.

We continue to review customer conditions globally. At March 31, 2019, we had 283 million reais (approximately \$73 million) in short and long-term receivables due to us from Maquina de Vendas S.A. In 2018, as part of their extrajudicial recovery plan, we agreed to receive payment of our outstanding receivable, plus interest, over eight years under a tiered payment schedule. At March 31, 2019, we have 127 million reais (approximately \$32 million) of insurance against this credit risk through policies purchased from high-quality underwriters.

For additional information on guarantees, see Note 8 to the Consolidated Condensed Financial Statements.

Embraco Sale Transaction

On April 24, 2018, we and certain of our subsidiaries entered into a purchase agreement with Nidec Corporation, a leading manufacturer of electric motors incorporated under the laws of Japan, to sell our Embraco business unit (the "Transaction").

Pursuant to the purchase agreement, at the closing of the Transaction, Nidec will pay a purchase price of approximately \$1.08 billion for the sale of Embraco. The purchase price is subject to customary adjustments including for indebtedness, cash and working capital of Embraco at closing. Whirlpool has agreed to retain certain liabilities relating to tax, environmental, labor and products following closing of the Transaction. The purchase agreement contains customary representations, conditions, warranties and covenants of the parties, including the requirement to obtain necessary antitrust approvals, which have been received in the U.S., Brazil, China and various other jurisdictions, while final approval remains outstanding in Europe.

On March 8, 2019, Whirlpool filed suit in the United States District Court for the Southern District of New York to compel Nidec to take all actions necessary to ensure that required regulatory approvals are obtained in time to close the Transaction by the initial closing deadline of April 24, 2019. During a hearing on March 27, 2019, Nidec indicated that it intended to reach agreement by April 24 with a suitable buyer for certain assets required to be divested in order to obtain European Commission approval of the Transaction. As such, the Court dismissed Whirlpool's suit without prejudice to refiling the suit if the Transaction does not close by April 24, 2019.

On April 12, 2019, the European Commission approved the Transaction, conditioned upon approving an agreement and buyer for the divestiture of certain Nidec compressor assets. On April 22, 2019, Nidec announced that it had reached an agreement with a buyer for the sale of Nidec's entire compressor business, and filed with the European Commission a submission regarding the suitability of the buyer and the divestiture agreements.

The purchase agreement contains an initial closing deadline of April 24, 2019, which has been extended to permit closing up to six months later. On April 21, 2019, Whirlpool and Nidec agreed to close the Transaction as soon as reasonably practicable after required regulatory reviews and approvals are complete, but no earlier than April 30, 2019.

Whirlpool remains confident and continues to expect the Transaction to close, and remains committed to taking all actions in its best interests to close the transaction as soon as reasonably practicable.

For additional information on the Transaction, see Note 16 to the Consolidated Condensed Financial Statements.

Share Repurchase Program

For additional information about our share repurchase program, see Note 12 to the Consolidated Condensed Financial Statements.

Sources and Uses of Cash

The following table summarizes the net increase (decrease) in cash, cash equivalents and restricted cash for the periods presented:

Millions of dollars	Three Months Ended March 31,	
	2019	2018
Cash provided by (used in):		
Operating activities	\$ (895)	\$ (713)
Investing activities	(86)	(3)
Financing activities	627	522
Effect of exchange rate changes	11	25
Net change in cash, cash equivalents and restricted cash	<u>\$ (343)</u>	<u>\$ (169)</u>

Cash Flows from Operating Activities

Cash used in operating activities during the three months ended March 31, 2019 increased compared to the same period in 2018, which primarily reflects the working capital impact of seasonal production timing and slower than expected sales in certain markets.

The timing of cash flows from operations varies significantly throughout the year primarily due to changes in production levels, sales patterns, promotional programs, funding requirements, credit management, as well as receivable and payment terms. Depending on the timing of cash flows, the location of cash balances, as well as the liquidity requirements of each country, external sources of funding are used to support working capital requirements.

Cash Flows from Investing Activities

Cash used in investing activities during the three months ended March 31, 2019 increased compared to the same period in 2018, which primarily reflects an increase in capital expenditures (approximately \$20 million) and proceeds related to held-to-maturity securities (approximately \$60 million) in 2018.

Cash Flows from Financing Activities

Cash provided by financing activities during the three months ended March 31, 2019 increased compared to the same period in 2018, which primarily reflects higher proceeds from borrowings of short-term and long-term debt (increase of approximately \$1,100 million), partially offset by higher repayments of long-term debt (approximately \$935 million) and stock repurchases under our share repurchase program (approximately \$50 million).

Financing Arrangements

The Company had total committed credit facilities of approximately \$3.6 billion at March 31, 2019. The facilities are geographically diverse and reflect the Company's growing global operations. The Company believes these facilities are sufficient to support its global operations. We had no borrowings outstanding under the committed credit facilities at March 31, 2019 or December 31, 2018.

For additional information about our financing arrangements, see Note 7 to the Consolidated Condensed Financial Statements.

Dividends

In April 2019, our Board of Directors approved a 4.3% increase in our quarterly dividend on our common stock to \$1.20 per share from \$1.15 per share.

Off-Balance Sheet Arrangements

In the ordinary course of business, we enter into agreements with financial institutions to issue bank guarantees, letters of credit, and surety bonds. These agreements are primarily associated with unresolved tax matters in Brazil, as is customary under local regulations, and other governmental obligations and debt agreements. At March 31, 2019, we had approximately \$348 million outstanding under these agreements.

For additional information about our off-balance sheet arrangements, see Note 8 to the Consolidated Condensed Financial Statements.

NON-GAAP FINANCIAL MEASURES

We supplement the reporting of our financial information determined under U.S. generally accepted accounting principles (GAAP) with certain non-GAAP financial measures, some of which we refer to as "ongoing" measures, including:

- Earnings before interest and taxes (EBIT)
- Ongoing EBIT
- Ongoing EBIT margin
- Sales excluding foreign currency
- Free cash flow

Non-GAAP measures exclude items that may not be indicative of, or are unrelated to, results from our ongoing operations and provide a better baseline for analyzing trends in our underlying businesses. Ongoing EBIT margin is calculated by dividing ongoing EBIT by net sales for 2019 and 2018. Sales excluding foreign currency is calculated by translating the current period net sales, in functional currency, to U.S. dollars using the prior-year period's exchange rate compared to the prior-year period net sales. Management believes that sales excluding foreign currency provides stockholders with a clearer basis to assess our results over time, excluding the impact of exchange rate fluctuations. We also disclose segment EBIT, which we define as operating profit less interest and sundry (income) expense and excluding restructuring costs, asset impairment charges and certain other items that management believes are not indicative of the Company's ongoing performance, if any, as the financial metric used by the Company's Chief Operating Decision Maker to evaluate performance and allocate resources in accordance with ASC 280, *Segment Reporting*.

We believe that these non-GAAP measures provide meaningful information to assist investors and stockholders in understanding our financial results and assessing our prospects for future performance, and reflect an additional way of viewing aspects of our operations that, when viewed with our GAAP financial measures, provide a more complete understanding of our business. Because non-GAAP financial measures are not standardized, it may not be possible to compare these financial measures with other companies' non-GAAP financial measures having the same or similar

names. These non-GAAP financial measures should not be considered in isolation or as a substitute for reported net earnings available to Whirlpool and cash provided by (used in) operating activities, the most directly comparable GAAP financial measures. We strongly encourage investors and stockholders to review our financial statements and publicly-filed reports in their entirety and not to rely on any single financial measure.

Please refer to a reconciliation of these non-GAAP financial measures to the most directly comparable GAAP financial measures below.

FORWARD-LOOKING PERSPECTIVE

Full-year 2019 guidance measures of GAAP earnings per diluted share and free cash flow do not reflect the anticipated gain on sale and, in the case of free cash flow, proceeds from the sale of the Embraco business. The final amounts are subject to a number of variables that are subject to change, including the net book value of held for sale assets, closing costs, taxes, and customary adjustments for indebtedness, cash, and working capital at closing.

Earnings per diluted share presented below are net of tax, while each adjustment is presented on a pre-tax basis. The aggregate income tax impact of the taxable components of each adjustment is presented in the income tax impact line item at our anticipated 2019 full-year adjusted tax rate between 15% and 20%. We currently estimate earnings per diluted share and industry demand for 2019 to be within the following ranges:

	2019		
	Current Outlook		
Estimated earnings per diluted share, for the year ending December 31, 2019	\$14.05	—	\$15.05
Including:			
Restructuring expense		\$(1.55)	
Brazil indirect tax credit		1.97	
Divestiture related transition costs		(0.36)	
Income tax impact		(0.01)	
Industry demand			
North America	(2)%	—	—%
EMEA	(1)%	—	1%
Latin America		~ 5%	
Asia	1%	—	2%

For the full-year 2019, we continue to expect to generate cash from operating activities of \$1.4 billion to \$1.5 billion and free cash flow of \$800 million to \$900 million, including restructuring cash outlays of up to \$100 million and capital expenditures of approximately \$625 million.

The table below reconciles projected 2019 cash provided by operating activities determined in accordance with GAAP to free cash flow, a non-GAAP measure. Management believes that free cash flow provides stockholders with a relevant measure of liquidity and a useful basis for assessing Whirlpool's ability to fund its activities and obligations. There are limitations to using non-GAAP financial measures, including the difficulty associated with comparing companies that use similarly named non-GAAP measures whose calculations may differ from our calculations. We define free cash flow as cash provided by operating activities less capital expenditures and including proceeds from the sale of assets/businesses, and changes in restricted cash. The change in restricted cash relates to the private placement funds paid by Whirlpool to acquire majority control of Whirlpool China (formerly Hefei Sanyo) in 2014 and which are used to fund capital and technical resources to enhance Whirlpool China's research and development and working capital, as required by the terms of the Hefei Sanyo acquisition completed in October 2014. For additional information regarding non-GAAP financial measures, see the Non-GAAP Financial Measures section of this Management's Discussion and Analysis.

Millions of dollars	2019
	Current Outlook
Cash provided by operating activities (1)	\$1,425 - \$1,525
Capital expenditures, proceeds from sale of assets/businesses and changes in restricted cash	(625)
Free cash flow	\$800 - \$900

(1) Financial guidance on a GAAP basis for cash provided by (used in) financing activities and cash provided by (used in) investing activities has not been provided because in order to prepare any such estimate or projection, the company would need to rely on market factors and certain other conditions and assumptions that are outside of its control.

The projections above are based on many estimates and are inherently subject to change based on future decisions made by management and the Board of Directors of Whirlpool, and significant economic, competitive and other uncertainties and contingencies.

OTHER MATTERS

For additional information regarding certain of our loss contingencies/litigation, see Note 8 to the Consolidated Condensed Financial Statements.

Grenfell Tower

On June 23, 2017, London's Metropolitan Police Service released a statement that it had identified a Hotpoint-branded refrigerator as the initial source of the Grenfell Tower fire in West London. U.K. authorities are conducting investigations, including regarding the cause and spread of the fire. The model in question was manufactured by Indesit Company between 2006 and 2009, prior to Whirlpool's acquisition of Indesit in 2014. We are fully cooperating with the investigating authorities. As these matters are ongoing, we cannot speculate on their eventual outcomes or potential impact on our financial statements; accordingly, we have not recorded any significant charges in 2018 or the three months ended March 31, 2019. Claims may be filed related to this incident.

Antidumping and Safeguard Petitions

As previously reported, Whirlpool filed petitions in 2011 and 2015 alleging that Samsung, LG and Electrolux violated U.S. and international trade laws by dumping washers into the U.S. Those petitions resulted in orders imposing antidumping duties on certain washers imported from South Korea, Mexico, and China, and countervailing duties on certain washers from South Korea. These orders could be subject to administrative reviews and possible appeals. On March 29, 2019, the International Trade Commission voted to extend antidumping duties on large residential washer imports from Mexico for an additional five years, but to end antidumping and countervailing duties on large residential washer imports from South Korea.

Whirlpool also filed a safeguard petition in May 2017 to address our concerns that Samsung and LG are evading U.S. trade laws by moving production from countries covered by antidumping orders. A safeguard remedy went into effect in February 2018, implementing tariffs on finished washers and certain covered parts for three years. During the second year of the remedy, beginning February 7, 2019, the remedy imposes an 18% tariff on the first 1.2 million large residential washing machines imported into the United States and a 45% tariff on such imports in excess of 1.2 million, and also imposes a 45% tariff on washer tub, drum, and cabinet imports in excess of 70,000 units. The tariff rates on washers and covered parts will decline slightly during the third year of the remedy. The safeguard remedy will be subject to an interim review by the International Trade Commission during 2019.

U.S. Tariffs and Global Economy

The current domestic and international political environment, including existing and potential changes to U.S. policies related to global trade and tariffs, have resulted in uncertainty surrounding the future state of the global economy. The impact of previously-announced U.S. tariffs on steel and aluminum was a component of increased raw material costs during the quarter ended March 31, 2019. We expect these and other tariffs to impact material costs in future quarters, which could require us to modify our current business practices and could have a material adverse effect on our financial statements in any particular reporting period.

Post-Retirement Benefit Litigation

For additional information regarding post-retirement benefit litigation, see Note 9 to the Consolidated Condensed Financial Statements.

ITEM 3. QUANTITATIVE AND QUALITATIVE DISCLOSURES ABOUT MARKET RISK

There have been no material changes to our exposures to market risk since December 31, 2018 .

ITEM 4. CONTROLS AND PROCEDURES

(a) Evaluation of disclosure controls and procedures

Prior to filing this report, we completed an evaluation under the supervision and with the participation of our management, including our Chief Executive Officer and Chief Financial Officer, of the effectiveness of the design and operation of our disclosure controls and procedures (as defined in Rule 13a-15(e) of the Securities Exchange Act of 1934) as of March 31, 2019 . Based on this evaluation, our Chief Executive Officer and Chief Financial Officer concluded that our disclosure controls and procedures were effective at the reasonable assurance level as of March 31, 2019 .

(b) Changes in internal control over financial reporting

Except as set forth below, during the three months ended March 31, 2019, we did not make any changes in our internal control over financial reporting that have materially affected, or are reasonably likely to materially affect, our internal control over financial reporting.

During the three months ended March 31, 2019, we implemented a new lease accounting system and process in response to the adoption of ASU No. 2016-02, "Leases (Topic 842)," effective January 1, 2019. These implementations resulted in a material change in a component of our internal control over financial reporting.

PART II. OTHER INFORMATION

ITEM 1. LEGAL PROCEEDINGS

Information with respect to legal proceedings can be found under the heading "Commitments and Contingencies" in Note 8 to the Consolidated Condensed Financial Statements contained in Part I, Item 1 of this report.

ITEM 1A. RISK FACTORS

There have been no material changes in our risk factors from those disclosed in Part I, Item 1A to our Annual Report on Form 10-K for the fiscal year ended December 31, 2018 .

ITEM 2. UNREGISTERED SALES OF EQUITY SECURITIES AND USE OF PROCEEDS

At March 31, 2019 , there were approximately \$750 million in remaining funds authorized under this program.

The following table summarizes repurchases of Whirlpool's common stock in the three months ended March 31, 2019 :

By: /s/ JAMES W. PETERS
Name: James W. Peters
Title: Executive Vice President
and Chief Financial Officer
Date: April 23, 2019

WHIRLPOOL CORPORATION
2018 Omnibus Stock and Incentive Plan
Strategic Excellence Program
Performance Restricted Stock Unit Award Document

1. The Human Resources Committee of the Board of Directors (the "Committee") of Whirlpool Corporation (also referred to as the "Company") has granted to you a contingent Restricted Stock Unit award (the "Award") pursuant to the Strategic Excellence Program under the Company's 2018 Omnibus Stock and Incentive Plan (the "Omnibus Plan"), as set forth in your Grant Summary. The vesting of this Award is subject to achievement of performance goals established for the Performance Period (as specified in your Grant Summary) and you remaining continuously employed by the Company or its subsidiaries through the Vesting Date set forth in your Grant Summary.
 2. Based on the extent to which the performance goals established for the Performance Period are met and your continued employment through the Vesting Date, the Company will pay any vested amount in shares of common stock on a one-for-one basis for each vested Restricted Stock Unit, subject to applicable tax withholding, as soon as administratively feasible after the date of the determination of the number of Restricted Stock Units payable under the Award, but in any event by the later of (i) the end of the calendar year in which the Vesting Date occurs and (ii) 2.5 months after the Vesting Date.
 3. If you cease to be employed by the Company or any of its subsidiaries due to termination by the Company or any of its subsidiaries due to Disability (as defined in the Appendix) or death, but prior to the Vesting Date, you or your beneficiary shall be eligible for a pro-rated payout of your Award based on a fraction, the numerator of which is the number of completed months of the Performance Period at the time of such termination and the denominator of which is 36, multiplied by the number of Restricted Stock Units which are determined to be payable under the Award following the completion of the Performance Period. Such amount shall be payable based on actual results for the Performance Period in shares of common stock on a one-for-one basis for each Restricted Stock Unit, subject to applicable tax withholding, as soon as administratively feasible after the determination of the number of Restricted Stock Units payable under the Award, but in any event no later than 2.5 months after the conclusion of the Performance Period.
 4. If you cease to be employed by the Company or any of its subsidiaries due to Retirement (as defined in the Appendix) or with the consent of the Committee prior to the Vesting Date, you or your beneficiary shall be eligible for a pro-rated payout of your Award based on a fraction (not to exceed one (1)), the numerator of which is the number of completed months of the Performance Period at the time of such termination and the denominator of which is 36, multiplied by the number of Restricted Stock Units which are determined to be payable under the Award following the completion of the Performance Period. Such amount shall be payable based on actual results for the Performance Period in shares of common stock on a one-for-one basis for each Restricted Stock Unit, subject to applicable tax withholding, as soon as administratively feasible after the determination of the number of Restricted Stock Units payable under the Award, but in any event no later than 2.5 months after the conclusion of the Performance Period.
 5. The terms of Section 10 of the Omnibus Plan shall apply to the Award. In addition, for purposes of Section 10.2(a) of the Omnibus Plan, you will only be entitled to the accelerated vesting contemplated thereunder in connection with a termination of employment within 24 months following a Change in Control if such termination of employment is by the Company without Cause or by you for Good Reason, each as defined in the Appendix. In the event that a Change in Control occurs prior to the conclusion of the Performance Period, then the number of shares payable under the Award shall be equal to the number of Restricted Stock Units included in your target award as specified in your Grant Summary. Upon vesting pursuant to this provision, your Award shall be paid out by the Company (or its successor), subject to the terms and conditions set forth herein, as soon as administratively feasible following such termination of employment (but in any event no later than 60 days following such termination of employment). Notwithstanding the foregoing, if the Award is not effectively assumed or continued by the surviving or acquiring corporation in such Change in Control (as determined by the Committee prior to the date of the Change in Control in accordance with Section 10.2(b) of the Omnibus Plan), then the Award shall vest at the target level of performance and shall be distributed within thirty (30) days of such Change in Control; provided, however, if the Change in Control was not a "change in control event" within the meaning of Section 409A of the Code or to the extent distribution would be impermissible under Section 409A of the Code, then the vested Award
-

shall be settled upon the earlier to occur of (i) the normal Vesting Date in accordance with Section 2 and (ii) your termination of service in accordance with Sections 3 and 4.

6. If you cease to be employed by the Company or any of its subsidiaries for any reason other than as provided above with respect to Retirement, Disability, death, Change in Control or with the consent of the Committee prior to the Vesting Date, your Award shall terminate on the date you cease to be so employed and you shall not be entitled to any payment of any kind whatsoever under this Award.

7. Regardless of any action the Company or your employer (the "Employer") takes with respect to any or all federal, state, or local income tax, social insurance, payroll tax, payment on account or other tax-related withholding regarding the Award ("Tax-Related Items"), you acknowledge that the ultimate liability for all Tax-Related Items legally due by you is and remains your responsibility and that the Company and/or the Employer (i) make no representations or undertakings regarding the treatment of any Tax-Related Items in connection with any aspect of the Award, including the vesting or payment of the Award, the subsequent sale of shares acquired pursuant to the payment of shares under the Award and the receipt of any dividends; and (ii) do not commit to structure the terms of the Award to reduce or eliminate your liability for Tax-Related Items.

You authorize the Company and/or the Employer to withhold shares that would otherwise be delivered under this Award to satisfy all applicable Tax-Related Items legally payable by you with respect to this Award. Finally, you shall pay to the Company or the Employer any amount of Tax-Related Items that the Company or the Employer may be required to withhold as a result of your participation in the Omnibus Plan that cannot be satisfied by the means previously described. Subject to Section 409A of the Code, the Company may refuse to deliver any Company common stock if you fail to comply with your obligations in connection with the Tax-Related Items as described in this section.

8. By accepting the Award, you acknowledge that:

(i) the Award is governed by the Omnibus Plan and you are voluntarily participating in the Omnibus Plan;

(ii) the Omnibus Plan is established voluntarily by the Company, it is discretionary in nature and it may be modified, amended, suspended or terminated by the Company at any time, unless otherwise provided in the Omnibus Plan and this Agreement;

(iii) your participation in the Omnibus Plan shall not create a right to further employment with the Employer and shall not interfere with the ability of the Employer to terminate your employment relationship at any time with or without cause;

(iv) in the event that you are not an employee of the Company, the Award will not be interpreted to form an employment contract or relationship with the Company; and furthermore, the Award will not be interpreted to form an employment contract with the Employer or any subsidiary or affiliate of the Company;

(v) the Award is voluntary and occasional and does not create any contractual or other right to receive future awards, or benefits in lieu of such awards, even if such awards have been granted repeatedly in the past, and all decisions with respect to future awards, if any, will be at the sole discretion of the Company;

(vi) the Award is not part of normal or expected compensation or salary for any purposes, including, but not limited to, calculating any severance, resignation, termination, redundancy, end of service payments, bonuses, long-service awards, pension or retirement benefits or similar payments;

(vii) the Award does not include any rights with respect to any of the shares of common stock of the Company (including any voting rights or rights with respect to any dividends of any nature associated with the common stock) issuable under the Award until the Award has vested and is settled by issuance of such shares of common stock to you; and

(viii) the attempted transfer or other disposition of the Award shall be void and shall nullify your Award, resulting in the cancellation of the Award by the Company.

9. No claim or entitlement to compensation or damages shall arise from termination of the Award as a result of your termination from employment by the Company or the Employer (for any reason whatsoever and whether or not

in breach of local labor laws) and you irrevocably release the Company and the Employer from any such claim that may arise; if, notwithstanding the foregoing, any such claim is found by a court of competent jurisdiction to have arisen, then, by signing this Agreement, you shall be deemed irrevocably to have waived your entitlement to pursue such claim.

In the event of involuntary termination of your employment (whether or not in breach of local labor laws), your right to receive payment under the Award, if any, will terminate effective as of the date that you are no longer actively employed and will not be extended by any notice period mandated under local law (e.g. , active employment would not include a period of “garden leave” or similar period pursuant to local law); furthermore, in the event of involuntary termination of employment (whether or not in breach of local labor laws), your right to payment under the Award after termination of employment, if any, will be measured by the date of termination of your active employment and will not be extended by any notice period mandated under local law. The Board and Committee shall have the exclusive discretion to determine when you are no longer actively employed for purposes of the Award.

10. You may be required to repay the Award or forfeit the Award, (i) if you are terminated by or otherwise leave employment with the Employer within two years following the vesting date of the Award and such termination of employment arises out of, is due to, or is in any way connected with any misconduct or violation of Company or Employer policy, (ii) if you become employed with a competitor within the two year period following termination, or for any other reason considered by the Committee in its sole discretion to be detrimental to the Company or its interests or (iii) in the event of a restatement of the Company's financial results within three years after the settlement of the Award to correct a material error that is determined by the Committee to be the result of fraud or intentional misconduct. In addition, the Award and any common stock delivered pursuant to the Award shall be subject to forfeiture to the Company in accordance with any clawback or recoupment policy of the Company in effect as of the Grant Date specified in your Grant Summary or which the Company may be required to adopt to comply with applicable law.

11. You hereby explicitly accept the Award and unambiguously consent to the collection, use and transfer, in electronic or other form, of your personal data as described in this document by and among, as applicable, the Employer, and the Company and its subsidiaries and affiliates for the exclusive purpose of implementing, administering and managing your participation in the Omnibus Plan. You understand that the Company and the Employer hold certain personal information about you, including, but not limited to, your name, home address and telephone number, date of birth, social insurance number or other identification number, salary, nationality, job title, any shares of stock or directorships held in the Company, details of all Awards or any other entitlement to shares of stock awarded, canceled, exercised, vested, unvested or outstanding in your favor, for the purpose of implementing, administering and managing the Omnibus Plan (“Data”). You understand that Data may be transferred to any third parties assisting in the implementation, administration and management of the Omnibus Plan, that these recipients may be located in your country or elsewhere, and that the recipient’s country may have different data privacy laws and protections than your country. You understand that you may request a list with the names and addresses of any potential recipients of the Data by contacting your local human resources representative. You authorize the recipients to receive, possess, use, retain and transfer the Data, in electronic or other form, for the purposes of implementing, administering and managing your participation in the Omnibus Plan, including any requisite transfer of such Data as may be required to a broker or other third party with whom you may elect to deposit any shares of stock acquired. You understand that Data will be held only as long as is necessary to implement, administer and manage your participation in the Omnibus Plan. You understand that you may, at any time, view Data, request additional information about the storage and processing of Data, require any necessary amendments to Data or refuse or withdraw the consents herein, in any case without cost, by contacting in writing your local human resources representative. You understand, however, that refusing or withdrawing your consent may affect your ability to participate in the Omnibus Plan. For more information on the consequences of your refusal to consent or withdrawal of consent, you understand that you may contact your local human resources representative.

12. Any shares acquired pursuant to this Award may not be sold, transferred, or otherwise traded without the registration under or an exemption from any applicable requirements of any securities laws applicable to you, and each certificate representing such shares will bear an appropriate legend to that effect.

13. This Award is intended to be exempt from or comply with Section 409A of the Code, and shall be interpreted and construed accordingly. The terms “cease to be employed” or “termination of employment,” or words of similar import, as used herein, for purposes of any payments that are payments of deferred compensation subject to Section 409A of the Code, shall mean “separation from service” as defined in Section 409A of the Code. To the extent that any payment hereunder shall be made during a period, you shall not be permitted, directly or indirectly, to designate the taxable year of payment. If a payment obligation under the Award arises on account of your

separation from service while you are a "specified employee" (as determined under the Whirlpool Corporation Specified Employee Policy), any payment of "deferred compensation" (as defined under Treasury Regulation Section 1.409A-1(b)(1), after giving effect to the exemptions in Treasury Regulation Sections 1.409A-1(b)(3) through (b)(12)) that is scheduled to be paid within six (6) months after such separation from service shall accrue without interest and shall be paid within 15 days after the end of the six-month period beginning on the date of such separation from service or, if earlier, within 15 days after your death. If the Award is subject to Section 409A of the Code and in the event the Participant becomes entitled to a payment under Section 5 and the Change in Control is not a "change in control event" within the meaning of Section 409A of the Code, then the Vested Award shall be settled at the time specified in Section 2 or, in the event of a termination of employment, Sections 3 and 4 to the extent required by Section 409A of the Code.

14. The Committee reserves and shall have the right to change the provisions of this Agreement in any manner that it may deem necessary or advisable to carry out the purpose of this Award as the result of, or to comply with, any change in applicable regulations, interpretation or statutory enactment.

15. The Company may, in its sole discretion, decide to deliver any documents related to the Award or participation in the Omnibus Plan or future awards that may be granted under the Omnibus Plan, if any, by electronic means or to request your consent to participate in the Omnibus Plan by electronic means. You hereby consent to receive such documents by electronic delivery and, if requested, to agree to participate in the Omnibus Plan through an on-line or electronic system established and maintained by the Company or another third party designated by the Company.

16. The provisions of this Agreement are severable and if any one or more provisions are determined to be illegal or otherwise unenforceable, in whole or in part, the remaining provisions shall nevertheless be binding and enforceable.

Notwithstanding the foregoing, the occurrence of any of the foregoing conditions shall not constitute Good Reason unless (i) you provide written notice to the Company of the existence of such condition not later than 60 days after you know or reasonably should know of the existence of such condition, (ii) the Company fails to remedy such condition within 30 days after receipt of such notice and (iii) you resign due to the existence of such condition within 60 days after the expiration of the remedial period described in clause (ii) hereof. WHIRLPOOL CORPORATION
2018 Omnibus Stock and Incentive Plan
Strategic Excellence Program
Stock Option Grant Document

1. The Human Resources Committee of the Board of Directors (the "Committee") of Whirlpool Corporation (also referred to as the "Company"), has granted to you a non-statutory stock option to purchase shares of common stock of the Company (the "Award") under certain conditions pursuant to the Company's 2018 Omnibus Stock and Incentive Plan (the "Omnibus Plan"). The number of shares subject to the Award, and the exercise price are indicated on your Grant Summary. Your option is subject to the provisions of the Omnibus Plan and this grant document.
2. Your option will vest in annual installments substantially equal to one-third of the total number of shares subject to the Award (determined as of the Grant Date specified in your Grant Summary) on the first, second, and third anniversaries of the Grant Date, subject to your continued employment on each such date (except as provided below).
3. You must exercise your vested option prior to the tenth anniversary of the Grant Date (the "Expiration Date"). To exercise your vested option, you need to make full payment to the Company through its designated third party administrator pursuant to such administrative exercise procedures as the administrator may implement from time to time, in cash in U.S. dollars, in common stock of the Company, through "Net Exercise" (as defined in the Omnibus Plan), or in a combination of cash and stock. If all or part of the payment is in shares of common stock of the Company, these shares will be valued at their Fair Market Value on the date of exercise.
4. If you cease employment from the Company or any of its subsidiaries due to Retirement, as defined in the Appendix, or if you cease employment with the consent of the Committee, all of your options under this Award shall immediately vest and you may pay for and receive all or any of the shares, but you must take this action on or before the date of either (i) the fifth anniversary of such termination of employment or (ii) the Expiration Date, whichever date occurs first; provided, however, that you may not exercise any option under this Award earlier than the first anniversary of the Grant Date.
5. If you cease employment as a result of a termination by the Company or a subsidiary due to Disability, as defined in the Appendix, all of your options under this Award shall immediately vest and you may pay for and receive all or any shares, provided you take this action on or before the date of either (i) the third anniversary of your termination due to Disability or (ii) the Expiration Date, whichever date occurs first; provided, however, that you may not exercise any option under this Award earlier than the first anniversary of the Grant Date.
6. If you cease employment due to death, all of your options under this Award shall immediately vest and your beneficiary under the Omnibus Plan may pay for and receive all or any shares, provided your beneficiary takes this action on or before the date of either (i) the third anniversary of your death or (ii) the Expiration Date, whichever date occurs first; and further provided that your beneficiary may not exercise any option under this Award earlier than the first anniversary of the Grant Date.
7. If you die after Retirement, your termination from employment due to Disability, or your termination with the consent of the Committee, your beneficiary under the Omnibus Plan may pay for and receive all or any of the shares, provided your beneficiary takes this action on or before the date of either (i) the second anniversary of your death or (ii) the Expiration Date, whichever date occurs first; and further provided that your beneficiary may not exercise any option under this Award earlier than the first anniversary of the Grant Date.
8. The terms of Section 10 of the Omnibus Plan shall apply to the Award. In addition, for purposes of Section 10.2(a) of the Plan, you will only be entitled to the accelerated vesting contemplated thereunder in connection with a termination of employment within 24 months following a Change in Control if such

termination of employment is by the Company without Cause or by you for Good Reason, each as defined in the Appendix.

9. If you cease to be employed by the Company or any of its subsidiaries for any reason other than as provided above with respect to Retirement, death, Disability, Change in Control or with the consent of the Committee, then (a) you will have until the date that is 30 days after your termination of employment to exercise options under this Award to the extent vested on your termination date (or, if earlier, until the Expiration Date), (b) to the extent not vested on your termination date, options under this Award shall terminate on the date you cease to be employed, and (c) options under this Award, to the extent exercisable for the 30-day period following your termination date and not exercised during such period, shall terminate at the close of business on the last day of the 30-day period.

10. Notwithstanding the foregoing, if you remain employed or terminate employment under circumstances specified in Sections 4, 5, 6 or 8, as applicable (each, a "Covered Termination Event"), and fail to exercise your vested options prior to the Expiration Date (including such earlier time as the vested options are scheduled to terminate under a Covered Termination Event, including by reason of Section 7), to the extent that the fair market value of the shares of common stock of the Company subject to such vested options exceeds the exercise price of such vested options on such Expiration Date (or such earlier time as the vested options are scheduled to terminate under a Covered Termination Event), all of such unexercised, vested options shall be automatically exercised on a "Net Exercise" basis on such Expiration Date (or such earlier time as the vested options are scheduled to terminate under a Covered Termination Event), unless you provide written notice to the Company not later than ten (10) days prior to the Expiration Date (or such earlier time as the vested options are scheduled to terminate under a Covered Termination Event) that you do not wish such vested options to be exercised in accordance with this Section. For the avoidance of doubt, this provision shall not apply in the event your employment with the Company or any of its subsidiaries terminates for any reason other than a Covered Termination Event. This Section is intended to constitute a written plan pursuant to Rule 10b5-1(c) under the Securities Exchange Act of 1934, as amended (the "Exchange Act"). To the extent applicable, the holder shall take actions necessary to ensure that any such sales shall comply with Rule 144 under the Securities Act of 1933, as amended.

11. Regardless of any action the Company or your employer (the "Employer") takes with respect to any or all federal, state, or local law income tax, social insurance, payroll tax, payment on account or other tax-related withholding regarding the Award ("Tax-Related Items"), you acknowledge that the ultimate liability for all Tax-Related Items legally due by you is and remains your responsibility and that the Company and/or the Employer (i) make no representations or undertakings regarding the treatment of any Tax-Related Items in connection with any aspect of the Award, including the vesting or payment of the Award, the subsequent sale of shares acquired pursuant to the payment of shares under the Award and the receipt of any dividends; and (ii) do not commit to structure the terms of the Award to reduce or eliminate your liability for Tax-Related Items.

You authorize the Company and/or the Employer to withhold, on a "Net-Exercise" basis as contemplated in the Plan, all applicable Tax-Related Items legally payable by you from payment otherwise owed to you under this Award. Finally, you shall pay to the Company or the Employer any amount of Tax-Related Items that the Company or the Employer may be required to withhold as a result of your participation in the Omnibus Plan that cannot be satisfied by the means previously described. The Company may refuse to deliver any Company common stock if you fail to comply with your obligations in connection with the Tax-Related Items as described in this section.

12. By accepting the Award, you acknowledge that:

(i) the Award is governed by the Omnibus Plan and you are voluntarily participating in the Omnibus Plan;

(ii) the Omnibus Plan is established voluntarily by the Company, it is discretionary in nature and it may be modified, amended, suspended or terminated by the Company at any time, unless otherwise provided in the Omnibus Plan and this Agreement;

(iii) your participation in the Omnibus Plan shall not create a right to further employment with the Employer and shall not interfere with the ability of the Employer to terminate your employment relationship at any time with or without cause;

(iv) in the event that you are not an employee of the Company, the Award will not be interpreted to form an employment contract or relationship with the Company; and furthermore, the Award will not be interpreted to form an employment contract with the Employer or any subsidiary or affiliate of the Company;

(v) the Award is voluntary and occasional and does not create any contractual or other right to receive future awards, or benefits in lieu of such awards, even if such awards have been granted repeatedly in the past, and all decisions with respect to future awards, if any, will be at the sole discretion of the Company;

(vi) the Award is not part of normal or expected compensation or salary for any purposes, including, but not limited to, calculating any severance, resignation, termination, redundancy, end of service payments, bonuses, long-service awards, pension or retirement benefits or similar payments;

(vii) the Award does not include any rights with respect to any of the shares of common stock of the Company (including any voting rights or rights with respect to any dividends of any nature associated with the common stock) until you have exercised the options and they are settled by issuance of such shares of common stock to you;

(viii) the attempted transfer or other disposition of the Award shall be void and shall nullify your Award, resulting in the cancellation of the Award by the Company;

(ix) the future value of the underlying shares is unknown and cannot be predicted with certainty, if the underlying shares do not increase in value, the options will have no value; and

(x) if you exercise your option and obtain shares, the value of those shares acquired upon exercise may increase or decrease in value, even below the exercise price.

13. No claim or entitlement to compensation or damages shall arise from termination of the Award as a result of your termination from employment by the Company or the Employer (for any reason whatsoever and whether or not in breach of local labor laws) and you irrevocably release the Company and the Employer from any such claim that may arise; if, notwithstanding the foregoing, any such claim is found by a court of competent jurisdiction to have arisen, then, by signing this Agreement, you shall be deemed irrevocably to have waived your entitlement to pursue such claim.

In the event of involuntary termination of your employment (whether or not in breach of local labor laws), your right to continued vesting under the Award, if any, will terminate effective as of the date that you are no longer actively employed and will not be extended by any notice period mandated under local law (e.g. , active employment would not include a period of "garden leave" or similar period pursuant to local law); furthermore, in the event of involuntary termination of employment (whether or not in breach of local labor laws), your right to continued vesting under the Award after termination of employment, if any, will be measured by the date of termination of your active employment and will not be extended by any notice period mandated under local law. The Board and Committee shall have the exclusive discretion to determine when you are no longer actively employed for purposes of the Award.

14. You may be required to repay the Award or forfeit any portion of the Award then-outstanding, (i) if you are terminated by or otherwise leave employment with the Employer within two years following the vesting date of the Award and such termination of employment arises out of, is due to, or is in any way connected with any misconduct or violation of Company or Employer policy, (ii) if you become employed with a competitor within the two year period following termination, or for any other reason considered by the Committee in its sole discretion to be detrimental to the Company or its interests or (iii) in the event of a restatement of the Company's financial results within three years after the settlement of the Award to correct a material error that is determined by the Committee to be the result of fraud or intentional misconduct. In addition, the Award and any Common Stock delivered pursuant to the Award shall be subject to forfeiture to the Company

in accordance with any clawback or recoupment policy of the Company in effect as of the Grant Date or which the Company may be required to adopt to comply with applicable law.

15. You hereby explicitly accept the Award and unambiguously consent to the collection, use and transfer, in electronic or other form, of your personal data as described in this document by and among, as applicable, the Employer, and the Company and its subsidiaries and affiliates for the exclusive purpose of implementing, administering and managing your participation in the Omnibus Plan. You understand that the Company and the Employer hold certain personal information about you, including, but not limited to, your name, home address and telephone number, date of birth, social insurance number or other identification number, salary, nationality, job title, any shares of stock or directorships held in the Company, details of all Awards or any other entitlement to shares of stock awarded, canceled, exercised, vested, unvested or outstanding in your favor, for the purpose of implementing, administering and managing the Omnibus Plan ("Data"). You understand that Data may be transferred to any third parties assisting in the implementation, administration and management of the Omnibus Plan, that these recipients may be located in your country or elsewhere, and that the recipient's country may have different data privacy laws and protections than your country. You understand that you may request a list with the names and addresses of any potential recipients of the Data by contacting your local human resources representative. You authorize the recipients to receive, possess, use, retain and transfer the Data, in electronic or other form, for the purposes of implementing, administering and managing your participation in the Omnibus Plan, including any requisite transfer of such Data as may be required to a broker or other third party with whom you may elect to deposit any shares of stock acquired. You understand that Data will be held only as long as is necessary to implement, administer and manage your participation in the Omnibus Plan. You understand that you may, at any time, view Data, request additional information about the storage and processing of Data, require any necessary amendments to Data or refuse or withdraw the consents herein, in any case without cost, by contacting in writing your local human resources representative. You understand, however, that refusing or withdrawing your consent may affect your ability to participate in the Omnibus Plan. For more information on the consequences of your refusal to consent or withdrawal of consent, you understand that you may contact your local human resources representative.

16. Any shares acquired pursuant to this Award may not be sold, transferred, or otherwise traded without the registration under or an exemption from any applicable requirements of any securities laws applicable to you, and each certificate representing such shares will bear an appropriate legend to that effect.

17. The Committee reserves and shall have the right to change the provisions of this Agreement in any manner that it may deem necessary or advisable to carry out the purpose of this Award as the result of, or to comply with, any change in applicable regulations, interpretation or statutory enactment.

18. The Company may, in its sole discretion, decide to deliver any documents related to the Award or participation in the Omnibus Plan or future awards that may be granted under the Omnibus Plan, if any, by electronic means or to request your consent to participate in the Omnibus Plan by electronic means. You hereby consent to receive such documents by electronic delivery and, if requested, to agree to participate in the Omnibus Plan through an on-line or electronic system established and maintained by the Company or another third party designated by the Company.

2018 Omnibus Stock and Incentive Plan
Strategic Excellence Program
Restricted Stock Unit Award Document

1. The Human Resources Committee of the Board of Directors (the "Committee") of Whirlpool Corporation (also referred to as the "Company") has granted to you a Restricted Stock Unit Award (the "Award") pursuant to the Strategic Excellence Program under the Company's 2018 Omnibus Stock and Incentive Plan (the "Omnibus Plan").
 2. The number of Restricted Stock Units provided by the Award and the applicable Vesting Period(s) are set forth in your Grant Summary. Your Award shall vest provided you remain continuously employed by the Company or its subsidiaries during the Vesting Period(s). All vested amounts shall be paid by the Company in shares of common stock, on a one-for-one basis for each restricted stock unit, subject to applicable tax withholding, as soon as administratively feasible following the applicable vesting date but in any event by the later of (i) the end of the year in which the applicable vesting date occurs and (ii) 2.5 months after the applicable vesting date.
 3. If you cease to be employed by the Company or any of its subsidiaries due to Retirement (as defined in the Appendix), termination with the consent of the Committee, termination by the Company or any of its subsidiaries due to Disability (as defined in the Appendix), or death prior to the expiration of the Vesting Period, all restricted stock units subject to the Award shall immediately vest. All amounts vesting pursuant to this paragraph shall be paid by the Company in shares of common stock, on a one-for-one basis for each restricted stock unit, subject to applicable tax withholding, as soon as administratively feasible following such termination of service but in any event by the later of (i) the end of the year in which you terminate service and (ii) 2.5 months after the date you terminate service.
 4. The terms of Section 10 of the Omnibus Plan shall apply to the Award. In addition, for purposes of Section 10.2(a) of the Plan, you will only be entitled to the accelerated vesting contemplated thereunder in connection with a termination of employment within 24 months following a Change in Control if such termination of employment is by the Company (or its successor) without Cause or by you for Good Reason, each as defined in the Appendix. Upon vesting pursuant to this provision, your Award shall be paid by the Company (or its successor), subject to applicable withholding, as soon as administratively feasible following such termination of employment (but in any event no later than 60 days following such termination of employment). Notwithstanding the foregoing, if the Award is not effectively assumed or continued by the surviving or acquiring corporation in such Change in Control (as determined by the Committee prior to the date of the Change in Control in accordance with Section 10.2(b) of the Omnibus Plan), then the Award shall vest in accordance with Section 10.2(b) and the vested Award shall be distributed within thirty (30) days of such Change in Control; provided, however, if the Change in Control was not a "change in control event" within the meaning of Section 409A of the Code or to the extent distribution would be impermissible under Section 409A of the Code, then the vested Award shall be settled upon the earlier to occur of (i) the normal vesting dates under this Award and (ii) your termination of service.
 5. If you cease to be employed by the Company or any of its subsidiaries for any reason other than as provided above with respect to Retirement, Disability, death, Change in Control or with the consent of the Committee prior to the completion of the Vesting Period, the Award shall be forfeited and you shall not be entitled to any payment of any kind whatsoever under the Award.
 6. Regardless of any action the Company or your employer (the "Employer") takes with respect to any or all federal, state, or local income tax, social insurance, payroll tax, payment on account or other tax-related withholding regarding the Award ("Tax-Related Items"), you acknowledge that the ultimate liability for all Tax-Related Items legally due by you is and remains your responsibility and that the Company and/or the Employer (i) make no representations or undertakings regarding the treatment of any Tax-Related Items in connection with any aspect of the Award, including the vesting or payment of the Award, the subsequent sale
-

of shares acquired pursuant to the payment of shares under the Award and the receipt of any dividends; and (ii) do not commit to structure the terms of the Award to reduce or eliminate your liability for Tax-Related Items.

You authorize the Company and/or the Employer to withhold shares that would otherwise be delivered under this Award to satisfy all applicable Tax-Related Items legally payable by you with respect to this Award. Finally, you shall pay to the Company or the Employer any amount of Tax-Related Items that the Company or the Employer may be required to withhold as a result of your participation in the Omnibus Plan that cannot be satisfied by the means previously described. Subject to Section 409A of the Code, the Company may refuse to deliver any Company common stock if you fail to comply with your obligations in connection with the Tax-Related Items as described in this section.

7. By accepting the Award, you acknowledge that:

(i) the Award is governed by the Omnibus Plan and you are voluntarily participating in the Omnibus Plan;

(ii) the Omnibus Plan is established voluntarily by the Company, it is discretionary in nature and it may be modified, amended, suspended or terminated by the Company at any time, unless otherwise provided in the Omnibus Plan and this Agreement;

(iii) your participation in the Omnibus Plan shall not create a right to further employment with the Employer and shall not interfere with the ability of the Employer to terminate your employment relationship at any time with or without cause;

(iv) in the event that you are not an employee of the Company, the Award will not be interpreted to form an employment contract or relationship with the Company; and furthermore, the Award will not be interpreted to form an employment contract with the Employer or any subsidiary or affiliate of the Company;

(v) the Award is voluntary and occasional and does not create any contractual or other right to receive future awards, or benefits in lieu of such awards, even if such awards have been granted repeatedly in the past, and all decisions with respect to future awards, if any, will be at the sole discretion of the Company;

(vi) the Award is not part of normal or expected compensation or salary for any purposes, including, but not limited to, calculating any severance, resignation, termination, redundancy, end of service payments, bonuses, long-service awards, pension or retirement benefits or similar payments;

(vii) the Award does not include any rights with respect to any of the shares of common stock of the Company (including any voting rights or rights with respect to any dividends of any nature associated with the common stock) issuable under the Award until the Award has vested and is settled by issuance of such shares of common stock to you; and

(viii) the attempted transfer or other disposition of the Award shall be void and shall nullify your Award, resulting in the cancellation of the Award by the Company.

8. No claim or entitlement to compensation or damages shall arise from termination of the Award as a result of your termination from employment by the Company or the Employer (for any reason whatsoever and whether or not in breach of local labor laws) and you irrevocably release the Company and the Employer from any such claim that may arise; if, notwithstanding the foregoing, any such claim is found by a court of competent jurisdiction to have arisen, then, by signing this Agreement, you shall be deemed irrevocably to have waived your entitlement to pursue such claim.

In the event of involuntary termination of your employment (whether or not in breach of local labor laws), your right to receive payment under the Award, if any, will terminate effective as of the date that you are no longer actively employed and will not be extended by any notice period mandated under local law (e.g. , active employment would not include a period of "garden leave" or similar period pursuant to local law); furthermore, in the event of involuntary termination of employment (whether or not in breach of local labor

laws), your right to payment under the Award after termination of employment, if any, will be measured by the date of termination of your active employment and will not be extended by any notice period mandated under local law. The Board and Committee shall have the exclusive discretion to determine when you are no longer actively employed for purposes of the Award.

9. You may be required to repay the Award or forfeit the Award, (i) if you are terminated by or otherwise leave employment with the Employer within two years following the vesting date of the Award and such termination of employment arises out of, is due to, or is in any way connected with any misconduct or violation of Company or Employer policy, (ii) if you become employed with a competitor within the two year period following termination, or for any other reason considered by the Committee in its sole discretion to be detrimental to the Company or its interests or (iii) in the event of a restatement of the Company's financial results within three years after the settlement of the Award to correct a material error that is determined by the Committee to be the result of fraud or intentional misconduct. In addition, the Award and any common stock delivered pursuant to the Award shall be subject to forfeiture to the Company in accordance with any clawback or recoupment policy of the Company in effect as of the Grant Date specified in your Grant Summary or which the Company may be required to adopt to comply with applicable law.

10. You hereby explicitly accept the Award and unambiguously consent to the collection, use and transfer, in electronic or other form, of your personal data as described in this document by and among, as applicable, the Employer, and the Company and its subsidiaries and affiliates for the exclusive purpose of implementing, administering and managing your participation in the Omnibus Plan. You understand that the Company and the Employer hold certain personal information about you, including, but not limited to, your name, home address and telephone number, date of birth, social insurance number or other identification number, salary, nationality, job title, any shares of stock or directorships held in the Company, details of all Awards or any other entitlement to shares of stock awarded, canceled, exercised, vested, unvested or outstanding in your favor, for the purpose of implementing, administering and managing the Omnibus Plan ("Data"). You understand that Data may be transferred to any third parties assisting in the implementation, administration and management of the Omnibus Plan, that these recipients may be located in your country or elsewhere, and that the recipient's country may have different data privacy laws and protections than your country. You understand that you may request a list with the names and addresses of any potential recipients of the Data by contacting your local human resources representative. You authorize the recipients to receive, possess, use, retain and transfer the Data, in electronic or other form, for the purposes of implementing, administering and managing your participation in the Omnibus Plan, including any requisite transfer of such Data as may be required to a broker or other third party with whom you may elect to deposit any shares of stock acquired. You understand that Data will be held only as long as is necessary to implement, administer and manage your participation in the Omnibus Plan. You understand that you may, at any time, view Data, request additional information about the storage and processing of Data, require any necessary amendments to Data or refuse or withdraw the consents herein, in any case without cost, by contacting in writing your local human resources representative. You understand, however, that refusing or withdrawing your consent may affect your ability to participate in the Omnibus Plan. For more information on the consequences of your refusal to consent or withdrawal of consent, you understand that you may contact your local human resources representative.

11. Any shares acquired pursuant to this Award may not be sold, transferred, or otherwise traded without the registration under or an exemption from any applicable requirements of any securities laws applicable to you, and each certificate representing such shares will bear an appropriate legend to that effect.

12. This Award is intended to be exempt from or comply with Section 409A of the Code, and shall be interpreted and construed accordingly, and each payment hereunder shall be considered a separate payment. The terms "cease to be employed" or "termination of employment," or words of similar import, as used herein, for purposes of any payments that are payments of deferred compensation subject to Section 409A of the Code, shall mean "separation from service" as defined in Section 409A of the Code. To the extent that any payment hereunder shall be made during a period, you shall not be permitted, directly or indirectly, to designate the taxable year of payment. If a payment obligation under the Award arises on account of your separation from service while you are a "specified employee" (as determined under the Whirlpool Corporation Specified Employee Policy), any payment of "deferred compensation" (as defined

under Treasury Regulation Section 1.409A-1(b)(1), after giving effect to the exemptions in Treasury Regulation Sections 1.409A-1(b)(3) through (b)(12)) that is scheduled to be paid within six (6) months after such separation from service shall accrue without interest and shall be paid within 15 days after the end of the six-month period beginning on the date of such separation from service or, if earlier, within 15 days after your death.

13. The Committee reserves and shall have the right to change the provisions of this Agreement in any manner that it may deem necessary or advisable to carry out the purpose of this Award as the result of, or to comply with, any change in applicable regulations, interpretation or statutory enactment.

14. The Company may, in its sole discretion, decide to deliver any documents related to the Award or participation in the Omnibus Plan or future awards that may be granted under the Omnibus Plan, if any, by electronic means or to request your consent to participate in the Omnibus Plan by electronic means. You hereby consent to receive such documents by electronic delivery and, if requested, to agree to participate in the Omnibus Plan through an on-line or electronic system established and maintained by the Company or another third party designated by the Company.

15. The provisions of this Agreement are severable and if any one or more provisions are determined to be illegal or otherwise unenforceable, in whole or in part, the remaining provisions shall nevertheless be binding and enforceable.

Appendix

The following terms used in the grant document, shall have the meanings set forth herein:

Notwithstanding the foregoing, the occurrence of any of the foregoing conditions shall not constitute Good Reason unless (i) you provide written notice to the Company of the existence of such condition not later than 60 days after you know or reasonably should know of the existence of such condition, (ii) the Company fails to remedy such condition within 30 days after receipt of such notice and (iii) you resign due to the existence of such condition within 60 days after the expiration of the remedial period described in clause (ii) hereof. Your continued employment shall not constitute consent to, or a waiver of rights with respect to, any circumstance constituting Good Reason herein.

“ **Retirement** ” means your cessation of service, other than for Cause, following five years of service and attainment of age 55, except as may be prohibited under applicable laws of your local jurisdiction.

Dated as of March 28, 2019

To the banks, financial institutions
and other lenders
(collectively, the “Lenders”) parties
to the Credit Agreement referred to
below and to JPMorgan Chase Bank, N.A., as agent
(the “Administrative Agent”) for the Lenders

Ladies and Gentlemen:

We refer to the Third Amended and Restated Long-Term Credit Agreement, dated as of May 17, 2016 (as amended by Amendment No. 1 dated as of August 30, 2018, the “Credit Agreement”) among Whirlpool Corporation, a Delaware corporation, Whirlpool Europe B.V., a Netherlands corporation having its corporate seat in Breda, The Netherlands, Whirlpool Finance B.V., a Netherlands corporation having its corporate seat in Breda, The Netherlands, Whirlpool Canada Holding Co., a Nova Scotia unlimited company, the other Borrowers from time to time party thereto, the Lenders from time to time party thereto, JPMorgan Chase Bank, N.A., as Administrative Agent and the other agents party thereto. It is hereby agreed by you and us as follows:

The Credit Agreement is, effective as of the date of the Amendment Effective Date (as defined below), hereby amended as follows:

1. Section 1.1 of the Credit Agreement is hereby amended by adding the following definitions in the appropriate alphabetical order:

“Amendment Date” means March 28, 2019, the effective date of Amendment No. 2 to this Agreement.

“Borrower DTTP Filing” means an HM Revenue & Customs’ Form DTTP2, duly completed and filed by the relevant UK Borrower within the applicable time limit, which contains the scheme reference number and jurisdiction of tax residence provided by a relevant Lender to the relevant UK Borrower and the Administrative Agent.

“CTA” means the Corporation Tax Act 2009 of the United Kingdom.

“HMRC DT Treaty Passport scheme” means the Board of H.M. Revenue and Customs Double Taxation Treaty Passport scheme.

“ITA” means the Income Tax Act 2007.

“Qualifying Lender” means:

(i) a Lender which is beneficially entitled to interest payable to such Lender in respect of an extension of credit hereunder and is:

(A) a Lender:

(1) which is a bank (as defined for the purpose of s879 ITA) making an extension of credit hereunder and is within the charge to United Kingdom corporation tax as respects any payments of interest made in respect of such extension of credit or would be within such charge as respects such payments apart from s18A CTA; or

(2) in respect of an extension of credit hereunder by a Person that was a bank (as defined for the purpose of s879 ITA) at the time that such extension of credit was made and within the charge to United Kingdom corporation tax as respects any payments of interest made in respect of such extension of credit; or

(B) a Lender which is:

(1) a company resident in the United Kingdom for United Kingdom tax purposes;

(2) a partnership each member of which is:

(a) a company so resident in the United Kingdom; or

(b) a company not so resident in the United Kingdom which carries on a trade in the United Kingdom through a permanent establishment and which brings into account in computing its chargeable profits (within the meaning of s19 CTA) the whole of any share of interest payable in respect of that extension of credit that falls to it by reason of Part 17 CTA;

(3) a company not so resident in the United Kingdom which carries on a trade in the United Kingdom through a permanent establishment and which brings into account interest payable in respect of that extension of credit in computing the chargeable profits (within the meaning of s19 CTA) of that company; or

(C) a Treaty Lender; or

(ii) a Lender which is a building society (as defined for the purpose of s880 ITA) making an extension of credit hereunder.

“Tax Confirmation” means a confirmation by a Lender that the person beneficially entitled to interest payable to that Lender in respect of an extension of credit hereunder is either:

(i) a company resident in the United Kingdom for United Kingdom tax purposes;

(ii) a partnership each member of which is:

(A) a company so resident in the United Kingdom; or

(B) a company not so resident in the United Kingdom which carries on a trade in the United Kingdom through a permanent establishment and which brings into account in computing its chargeable profits (within the meaning of s19 CTA) the whole of any share of interest payable in respect of that extension of credit that falls to it by reason of Part 17 CTA; or

(iii) a company not so resident in the United Kingdom which carries on a trade in the United Kingdom through a permanent establishment and which brings into account interest payable in respect of that extension of credit in computing the chargeable profits (within the meaning of s19 CTA) of that company.

“Treaty Lender” means a Lender which:

(i) is treated as a resident of a Treaty State for the purposes of the relevant Treaty;

(ii) does not carry on a business in the United Kingdom through a permanent establishment with which that Lender’s participation in an extension of credit hereunder is effectively connected; and

(iii) meets all other conditions in the relevant Treaty for full exemption from United Kingdom taxation on interest which relate to such Lender subject to the completion of all procedural formalities necessary to obtain clearance under the relevant Treaty to enable each UK Borrower to obtain authorization to make all payments to which the Lender is entitled without deduction or withholding for on account of United Kingdom Taxes.

“Treaty State” means a jurisdiction having a double taxation agreement (a “Treaty”) with the United Kingdom which makes provision for full exemption from tax imposed by the United Kingdom on interest.

“UK Borrower” means any Borrower (i) that is organized or formed under the laws of the United Kingdom or (ii) payments from which under this Agreement or any other Loan Document are subject to withholding Taxes imposed by the laws of the United Kingdom.

2. A new Section 1.03 is added to read as follows:

SECTION 1.03. Other Interpretive Provisions. Any reference herein to a merger, transfer, consolidation, amalgamation, assignment, sale, disposition or transfer, or similar term, shall be deemed to apply to a division of or by a limited liability company, or an allocation of assets to a series of a limited liability company (or the unwinding of such a division or allocation), as if it were a merger, transfer, consolidation, amalgamation, assignment, sale, disposition or transfer, or similar term, as applicable, to, of or with a separate Person. Any division of a limited liability company shall constitute a separate Person hereunder (and each division of any limited liability company that is a Subsidiary, joint venture or any other like term shall also constitute such a Person or entity).

3. Section 2.08(l) of the Credit Agreement is hereby amended by (x) correcting the numbering such that the second subsection (ii) and subsection (iii) are renumbered as subsections (ii) and (iv) respectively and (y) adding to the end thereof a new subsection (v) to read as follows:

(v) Additional United Kingdom Withholding Tax Matters. (A) Subject to (B) below, each Lender and each UK Borrower which makes a payment to such Lender shall cooperate in completing any procedural formalities necessary for such UK Borrower to obtain authorization to make such payment without withholding or deduction for Taxes imposed under the laws of the United Kingdom.

(B) (1) A Lender on the Amendment Date that (x) holds a passport under the HMRC DT Treaty Passport scheme and (y) wishes such scheme to apply to this Agreement, shall provide its scheme reference number and its jurisdiction of tax residence to each UK Borrower and the Administrative Agent; and

(2) a Lender which becomes a Lender hereunder after the Amendment Date that (x) holds a passport under the HMRC DT Treaty Passport scheme and (y) wishes such scheme to apply to this Agreement, shall provide its scheme reference number and its jurisdiction of tax residence to each UK Borrower and the Administrative Agent, and

(3) Upon satisfying either clause (1) or (2) above, such Lender shall have satisfied its obligation under paragraph (v)(A) above.

(C) If a Lender has confirmed its scheme reference number and its jurisdiction of tax residence in accordance with paragraph (v) (B) above, the UK Borrower(s) shall make a Borrower DTTP Filing with respect to such Lender, and shall promptly provide such Lender with a copy of such filing; provided that, if:

(1) a UK Borrower making a payment to such Lender has not made a Borrower DTTP Filing in respect of such Lender; or

(2) a UK Borrower making a payment to such Lender has made a Borrower DTTP Filing in respect of such Lender but:

(aa) such Borrower DTTP Filing has been rejected by HM Revenue & Customs; or

(bb) HM Revenue & Customs has not given such UK Borrower authority to make payments to such Lender without a deduction for tax within 60 days of the date of such Borrower DTTP Filing;

and in each case, such UK Borrower has notified that Lender in writing of either (aa) or (bb) above, then such Lender and such UK Borrower shall co-operate in completing any additional procedural formalities necessary for such UK Borrower to obtain authorization to make that payment without withholding or deduction for Taxes imposed under the laws of the United Kingdom.

(D) If a Lender has not confirmed its scheme reference number and jurisdiction of tax residence in accordance with paragraph (v) (B) above, no UK Borrower shall make a Borrower DTTP Filing or file any other form relating to the HMRC DT Treaty Passport scheme in respect of that Lender's Commitment(s) or its participation in any Loan unless the Lender otherwise agrees.

(E) Each UK Borrower shall, promptly on making a Borrower DTTP Filing, deliver a copy of such Borrower DTTP Filing to the Administrative Agent for delivery to the relevant Lender.

(F) Each Lender shall notify the Borrower and Administrative Agent if it determines in its sole discretion that it ceases to be a Qualifying Lender (including if it ceases to be entitled to claim the benefits of an income tax treaty to which the United Kingdom is a party with respect to payments made by any U.K. Borrower hereunder).

4. Section 2.11 of the Credit Agreement is amended by (a) deleting from the introductory paragraph the phrase "the Borrowers shall Cash Collateralize" and substituting therefor the phrase "Whirlpool shall Cash Collateralize"; (b) deleting from clause (a) the phrase "Each Borrower" and substituting therefor

“Whirlpool”; and (c) deleting from clause (a) the phrase “the Borrowers” and substituting therefor “Whirlpool”.

5. Section 3.01(c) of the Credit Agreement is amended in full to read as follows:

6. (c) Conditions to Gross-up. Notwithstanding any provision of this Section 3.01 to the contrary, no Borrower shall have any obligation to pay any Taxes pursuant to this Section 3.01, or to pay any amount to the Administrative Agent, any Lender or any Issuing Lender pursuant to this Section 3.01, to the extent that they are or result from (i) United States withholding taxes imposed on amounts payable to or for the account of such Lender with respect to an applicable interest in a Loan or Commitment pursuant to a law in effect on the date on which (i) such Lender acquires such interest in the Loan or Commitment (other than pursuant to an assignment request by the Borrower under Section 3.06) or (ii) such Lender changes its lending office (other than pursuant to Section 3.06), except in each case to the extent that, pursuant to Section 3.01(b), amounts with respect to such Taxes were payable either to such Lender’s assignor immediately before such Lender became a party hereto or to such Lender immediately before it changed its lending office, (ii) the failure of any Lender, any Issuing Lender or the Administrative Agent to comply with its obligations pursuant to Section 2.08(l) or Section 13.05, (iii) any Taxes imposed under FATCA; or (iv) United Kingdom withholding Taxes imposed on amounts payable to or for the account of a Lender (other than, in the case of (A) below, any Lender party hereto on the Amendment Date) with respect to an applicable interest in an Advance or Commitment if on the date any such payment falls due: (A) the payment could have been made to such Lender without deduction or withholding for or on account of United Kingdom Taxes if such Lender had been a Qualifying Lender, but on that date, such Lender is not or has ceased to be a Qualifying Lender other than as a result of any change after the date it became a Lender party to this Agreement in (or in the interpretation, administration or application of) any law or Treaty or any published practice or published concession of any relevant taxing authority; or (B) such Lender is a Qualifying Lender solely by virtue of paragraph (i)(B) of the definition of Qualifying Lender; and: (1) an officer of HM Revenue & Customs has given (and not revoked) a direction (a “Direction”) under s931 ITA which relates to the applicable payment and such Lender has received from the UK Borrower making the payment a certified copy of that Direction; and (2) such payment could have been made to such Lender without any deduction or withholding for or on account of United Kingdom Taxes if such Direction had not been made; or (C) such Lender is a Qualifying Lender solely by virtue of paragraph (i)(B) of the definition of Qualifying Lender and: (1) such Lender has not given a Tax Confirmation to the relevant UK Borrower; and (2) the payment could have been made to such Lender without any deduction or withholding for or on account of United Kingdom Taxes if such Lender had given a Tax Confirmation to the relevant UK Borrower, on the basis that the Tax Confirmation would have enabled the relevant UK Borrower to have formed a reasonable belief that the payment was an “excepted payment” for the purpose of s930 ITA; or (D) such Lender is a Treaty Lender and the UK Borrower making the payment is able to demonstrate that the payment could have been made to such Lender without any deduction or withholding for or on account of United Kingdom Taxes had such Lender complied with its obligations under Section 2.08(l). In addition, a Transferee (or a Lender acting through a different Facility Office) shall not be entitled to receive any greater payment under this Section 3.01 in respect of United Kingdom Taxes with respect to payments made by a UK Borrower than its transferor Lender (or the Lender acting through its previous Facility Office, as applicable) would have received under this Section 3.01 if the transfer or change of Facility Office had not occurred, except to the extent such entitlement to receive a greater payment results from a change in applicable law or a Treaty that occurs after the Transferee acquired the applicable interest (or the Lender changed its Facility Office, as applicable).

This Letter Amendment shall become effective when the Administrative Agent shall have received counterparts of this Letter Amendment executed by each Borrower and the Required Lenders (the “Amendment Effective Date”).

Whirlpool hereby represents and warrants, as of the Amendment Effective Date, that (i) there exists no Default or Unmatured Default; and (ii) the representations and warranties contained in Article 6 of the Credit Agreement are true and correct in all material respects (other than any representation or warranty qualified by materiality or Material Adverse Effect, which shall be true and correct in all respects) (except for the representations and warranties set forth in Sections 6.06 and 6.12 solely as such representations and warranties relate to any Subsidiary acquired in connection with a Material Acquisition (including any Subsidiary of the target of such Material Acquisition) consummated within 30 days prior to the Amendment Effective Date).

On and after the effectiveness of this Letter Amendment, each reference in the Credit Agreement to "this Agreement", "hereunder", "hereof" or words of like import referring to the Credit Agreement, and each reference in each of the other Loan Documents to "the Credit Agreement", "thereunder", "thereof" or words of like import referring to the Credit Agreement, shall mean and be a reference to the Credit Agreement, as amended by this Letter Amendment. This Letter amendment shall be deemed to constitute a "Loan Document".

The Credit Agreement and each of the other Loan Documents, as specifically amended by this Letter Amendment, are and shall continue to be in full force and effect and are hereby in all respects ratified and confirmed. The execution, delivery and effectiveness of this Letter Amendment shall not, except as expressly provided herein, operate as a waiver of any right, power or remedy of any Lender or the Administrative Agent under the Credit Agreement, nor constitute a waiver of any provision of the Credit Agreement.

If you agree to the terms and provisions hereof, please evidence such agreement by executing and returning a counterpart of this Letter Amendment to Susan L. Hobart, Shearman & Sterling LLP, email: shobart@shearman.com.

This Letter Amendment may be executed in any number of counterparts and by different parties hereto in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement. Delivery of an executed counterpart of a signature page to this Letter Amendment by telecopier shall be effective as delivery of a manually executed counterpart of this Letter Amendment.
