EPAM Ranked Again in the Top 100 Digital Agencies in the UK, Increasing Rank From Six to Five

October 2, 2017 2:00 PM EDT

(GLOBE NEWSWIRE via COMTEX) --NEWTOWN, Pa., Oct. 02, 2017 (GLOBE NEWSWIRE) -- EPAM Systems, Inc. (NYSE:EPAM), a leading global provider of digital platform engineering and software development services, today announced that it was ranked fifth in The Top 100 Digital Agencies Report published by Econsultancy. The Top 100 Digital Agencies Report is an annual listing of the UK's largest digital marketing, design and build, technical and creative agencies ranked by fee income from digital activities. This is the second year that EPAM has been included in this report, increasing its ranking from sixth to fifth.

"This recognition highlights our expanding global footprint, specifically in Europe, and reflects our customers' growing need for skills that go beyond those of a traditional digital agency, namely digital platform engineering expertise," said Jason Harman, SVP, Managing Director, EPAM UK.

The report points to the importance of a consulting mindset and the new skill sets required in the digital agency landscape to not only deliver what a customer is asking for, but to also offer expertise on the application of new technologies.

"By combining our design and consulting skills with our deep software engineering and advanced data expertise, we become trusted advisors to our clients and help them navigate disruption to compete successfully in their markets," added David Larkins, VP Digital Solutions Europe, EPAM UK.

The Top 10 ranked agencies are as follows:

- Accenture Interactive

- SapientRazorfish

- IBM iX

- Atos Digital Services

- EPAM Systems

- BAE Systems Applied Intelligence

- DigitasLBi

- Amaze

- AKQA

- Engine

For the purposes of the ranking, fee income from digital activities is defined as the money that agencies retain after any bought-in third-party costs, such as media, production or hosting, have been paid. The report features in-depth analysis and commentary on the state of the industry, along with information on each agency to help client-side professionals choose the right partner to help achieve their business goals.
