Rambus to Host Financial Analyst Day; Meeting Will Be Webcast

LOS ALTOS, Calif., May 11, 2006 (BUSINESS WIRE) -- Rambus Inc. (Nasdaq:RMBS), one of the world's premier technology licensing companies specializing in high-speed chip interfaces, will host its annual financial analyst day on June 1, 2006 in Silicon Valley.

During this event, Rambus' management will provide a strategic and financial overview of the company. The event will provide investors the opportunity to meet senior members of the Rambus management team.

The financial analyst meeting will be webcast live and can be accessed via Rambus' website at http://investor.rambus.com. The presentation will be archived for at least one week following the event.

About Rambus Inc.

Rambus is one of the world's premier technology licensing companies specializing in the invention and design of high-speed chip interfaces. Since its founding in 1990, the company's patented innovations, breakthrough technologies and renowned integration expertise have helped industry-leading chip and system companies bring superior products to market. Rambus' technology and products solve customers' most complex chip and system-level interface challenges enabling unprecedented performance in computing, communications and consumer electronics applications. Rambus licenses both its world-class patent portfolio as well as its family of leadership and industry-standard interface products. Headquartered in Los Altos, California, Rambus has regional offices in North Carolina, India, Germany, Japan and Taiwan. Additional information is available at www.rambus.com.
