Celestica Recognizes Littelfuse As An Honoree In Its 2012 Total Cost Of Ownership Supplier Awards Program

Chicago, August 1, 2013 - Littelfuse, Inc., the global leader in circuit protection, today announced it has been recognized as an honoree in the 2012 Total Cost of Ownership (TCOO™) Supplier Awards program from Celestica, a global leader in the delivery of end-to-end product lifecycle solutions. Celestica's awards program recognizes suppliers that support Celestica's TCOO strategy and demonstrate excellence in quality, delivery, technology, service, pricing and flexibility.

"Littelfuse is proud to be recognized by Celestica," said Deepak Nayar, Vice President & General Manager, Electronics Business Unit of Littelfuse. "This award highlights the value we bring to our customers and the commitment to excellent customer service displayed by our associates throughout the company."

This marks the seventh year of Celestica's TCOO Supplier Awards program, which evaluates and recognizes the top performers in Celestica's global network of over 3,000 suppliers. Celestica's TCOO system is focused on evaluating supplier performance by measuring the total cost to produce, deliver and support products and services beyond the supplier invoice price.

"We are pleased to recognize Littelfuse as an honoree in the 2012 Best TCOO Score Award category," said Paul Blom, Chief Procurement Officer, Celestica. "Throughout 2012, Littelfuse consistently maintained a high TCOO score and supported our strategy to drive speed and flexibility through the supply chain."
