Alejandro Plater to step down from KPN's Supervisory Board

KPN's Supervisory Board announces that it has accepted Mr Alejandro Plater's offer to vacate his position as a Supervisory Board member. Mr Plater will therefore step down with immediate effect. This follows the reduction of América Móvil's stake in KPN to below the threshold, as agreed in the 2013 Relationship Agreement between KPN and América Móvil.

Mr Plater, who was nominated by KPN's shareholder América Móvil, joined the Supervisory Board in 2020. Within the Supervisory Board he serves as member of the Audit Committee.

Gerard van de Aast, chairman of the Supervisory Board: *"Alejandro's departure is a logical step following the reduction of América Móvil's stake in KPN. Alejandro is a proven industry specialist who has always shown commitment to KPN, and we are grateful for his valuable contribution to and support for our company."*
