"In the third quarter, despite broader industry pressures, we continued to gain market share, expand our footprint, and see strong performance from our new restaurants," said Brett Schulman, Co-Founder and CEO. "Same-Restaurant Sales grew 3.1%, CAVA Revenue increased 22.1%, and we opened our 500th restaurant ahead of schedule. As we look ahead, we will continue investing in our teams and our guests, strengthening the lasting relationships that support durable growth."

— **BRETT SCHULMAN** Co-founder & CEO

24 Net New CAVA Restaurant Openings

500 CAVA Restaurants

20.5% year-over-year growth in restaurant count

CULINARY INNOVATION

Greek Goddess Salmon Bowl

A colorful and satisfying bowl with a creamy new dressing.

Pomegranate Apple Drink

Sweet and a little tart. Perfect for the season.

Our mission is to bring heart, health, and humanity to food.

Information as of or for the fiscal quarter ended October 4th, 2026, with comparisons to prior year. For full financial data, definitions of metrics presented, reconciliations of Adjusted EBITDA to net income and Free Cash Flow to net cash provided by operating activities, and cautionary language regarding forward looking statements, please see our Q3 2026 earnings press release, available at investor.cava.com.

**Adjusted EBITDA and Free Cash Flow are non-GAAP measures; Net cash provided by operating activities for the forty weeks ended October 4th, 2026 was $181.6 million.*
