NEWS RELEASE

Wounded Service Members Visit Vegas for Annual Salute to the Troops

10/20/2017

American Airlines partnered with the Fort Worth Airpower Foundation, MGM Resorts and other generous sponsors to host the 9th annual Salute to the Troops, an event attended by more than 200 wounded service members, their families and caretakers. The service members and guests spent four days in Las Vegas, enjoying the best that the city has to offer: front row seats at Vegas shows, dining with celebrity chefs and private helicopter tours up and down the strip. See all the action from this trip that looks to help heal, thank and celebrate the men and women of our military.
