NEWS RELEASE

Seeing the Change for Good

2/19/2018

Every day, American Airlines flight attendants collect spare change on select international flights. These Champions for Children do so in an effort to make a difference in children's lives through UNICEF's Change for Good program. We recently joined some champions as they visited Nicaragua and were able to see firsthand the people that their efforts help. Seeing that change in person brings increased significance to each coin or bill they've collected. From watching the birth of a baby to helping with the building of a well, see what our Champions got to experience when they visit Nicaragua.

More than 4,800 team members serve as Champions. You can help by donating to **Change for Good** online.
