Rambus Inc. to Present at NASDAQ 15th Investor Program

LOS ALTOS, Calif., May 11, 2005 (BUSINESS WIRE) -- Rambus Inc. (Nasdaq:RMBS), one of the world's premier technology licensing companies specializing in high-speed chip interfaces, today announced that Bob Eulau, Senior Vice President and Chief Financial Officer, will present a business overview at the NASDAQ 15th Investor Program in London, England on May 17, 2005 at 10:45 a.m. London Time.

This event will be available through a webcast and can be accessed at Rambus's Investor Relations web site at http://investor.rambus.com/. The audio replay will be available on Rambus's IR web site following the event.

About Rambus Inc.

Rambus is one of the world's premier technology licensing companies specializing in the invention and design of high-speed chip interfaces. Since its founding in 1990, the company's innovations, breakthrough technologies and integration expertise have helped industry-leading chip and system companies solve their most challenging and complex I/O problems and bring their products to market. Rambus's interface solutions can be found in numerous computing, consumer, and communications products and applications. Rambus is headquartered in Los Altos, California, with regional offices in Chapel Hill, North Carolina; Bangalore, India; Taipei, Taiwan; and Tokyo, Japan. Additional information is available at www.rambus.com.
