

# LAX Groundbreaking Anniversary

## Placed

**1,900 yards**  
of concrete

enough for a sidewalk from Terminal 5  
to Manhattan Beach Pier

## Drilled

**2,500 rebar**  
dowels

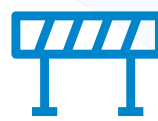

enough to drill a hole through the  
Hoover Dam top to bottom 4 times

## Craft work

**360,000 hours**  
enough for one person  
working for 180 years straight

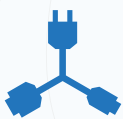

## Assembled

**1.1 miles**  
of construction  
barricades

enough to frame **12**  
1,600-square-foot houses

## Laid

**33 miles of electrical conduit**  
enough to run a data line from Terminal 5 to Catalina Island

## Installed

**11,000 ceiling tiles**  
enough to cover two football fields
