- Compliance with legal and regulatory requirements
- Responsibility to establish procedures for the receipt, retention, and treatment of complaints
- Other special and ongoing activities directed by the Board

On a regular basis, the Committee will report on its activities to the Board and make recommendations as appropriate.

Summary

The primary responsibility of the Committee is to oversee Univest's financial reporting process on behalf of the Board and to report the results of their activities to the Board. Management is responsible for the preparation and integrity of Univest's financial statements, and the independent auditor is responsible for auditing those financial statements. Management and internal audit are responsible for maintaining appropriate accounting and financial reporting policies and procedures, including internal controls designed to comply with applicable accounting standards, laws and regulations.

Authority

The Committee has the authority to evaluate, engage, compensate, replace, and to approve all audit and non-audit engagements, including the work of any registered public accounting firm employed by Univest. In doing so, the Committee may consult with management but shall not delegate these responsibilities to management. The independent auditor shall report directly to the Committee.

In discharging its oversight role, the Committee is empowered to investigate any matter within its scope of responsibility with direct and unfettered access to all books, records, facilities, resources, and personnel Uninvest, including the power to retain independent counsel, an independent accountant, or other consultants to provide specialized advisement services. Uninvest shall provide the appropriate funding, as determined by the Committee, for the compensation of such consultants so employed by the Committee. The Committee may request any employee of Uninvest's independent auditor or other advisors to attend a meeting of the Committee or to meet with any named members or consultant to the Committee.

Composition and Membership

The Committee shall consist of no fewer than three Board members. Each Committee member will meet the applicable standards of independence and the determination of independence will be made by the Board and as defined by applicable listing standards. All members of the Committee must comply with all financial literacy requirements of the securities exchanges on which Uninvest is listed. At least one member of the Committee shall have accounting or related financial management expertise to meet the definition of a "financial expert" as defined by the SEC and determined by the Board.

Committee members will serve at the discretion of the Board of Directors and may be removed at any time. Annually, the Board will designate a chair of the Committee as well as designate other members of the Committee. Members of the Uninvest Audit Committee shall not simultaneously serve on the audit committee of more than two other public companies.

The composition of the Committee and its independence will be reviewed annually by the Nominating Committee with recommendations for changes made to the Board.

The quorum for the Committee will be a majority of the members.

Meetings

The Committee will meet as often as necessary, but not less frequently than quarterly. All Committee members are expected to attend each meeting. Periodically, but not less than two times per year, the Committee will meet in separate executive sessions with the internal auditor, the external auditor, senior management, and others it may deem appropriate, including consultants, outside counsel, and Uninvest staff members qualified to provide expertise and insight into matters being discussed.

Minutes of all meetings will be kept by a member of the Committee or by a person designated by the Committee. All minutes shall be reported to the Board.

A majority of the members of the Committee present in person or by telephone or video, by means of which all persons participating in the meeting can hear and/or see each other, shall constitute a quorum.

Duties and Responsibilities
