Purpose

(“**Board**”) to assist the Board in monitoring (A) (i) the internal control over financial reporting of the Company, (ii) the Independent Auditor’s qualifications, independence, and performance, (iii) the performance of the Company’s internal audit function (“**Internal Audit**”), (iv) the compliance by the Company with legal and regulatory requirements, and (v) the Board’s oversight of the Company’s risk management, whistleblower and ethics programs, and (B) the required related reporting in specific regulatory filings.

The Committee is responsible for overseeing the conduct of those activities by the Company’s management and the Independent Auditors.

Membership

The Committee shall consist of at least three (3) Directors who are free of any relationship that, in the opinion of the Board of Directors, would interfere with their individual exercise of independent judgment as a Committee member and who meet the independence and experience requirements of the New York Stock Exchange and applicable regulations of the Securities and Exchange Commission (the “**Commission**”). All members of the Committee shall be generally knowledgeable in financial and auditing matters and at least one member of the Committee shall be “an audit committee financial expert” as defined by the Commission. Committee members shall not simultaneously serve on the audit committees of more than two other public companies. The Board may remove any member from the Committee at any time.

Responsibilities and Duties

The Committee will:

1. Be directly responsible for the selection of, and compensation and oversight of the work of, the Independent Auditor (including resolution of disagreements between management and the Independent Auditor regarding financial reporting) for the purpose of preparing or issuing an audit report or related work. The Independent Auditor shall report directly to the Committee.
2. Preapprove all auditing services and permitted non-audit services (including the fees and terms thereof) to be performed for the Company by its

Independent Auditor, subject to a Pre-Approval Policy adopted by the Committee.

3. Discuss and consider the independence of the Independent Auditors, including the auditors' letter required by applicable requirements of the Public Company Accounting Oversight Board regarding their communications concerning such independence.
4. 7. Review with the Independent Auditors, Internal Auditors, and the Company's financial and accounting management the adequacy and effectiveness of the Company's internal auditing, accounting and financial policies, procedures, and controls; and elicit any recommendations for the improvement of existing internal control procedures or the establishment of controls or procedures. Particular emphasis should be given to the adequacy of the internal controls to expose payments, transactions or procedures that might be deemed illegal or otherwise improper.
8. Ensure the rotation of the lead (or coordinating) audit partner having primary responsibility for the audit, the audit partner responsible for reviewing the audit, and any other partners or other professionals as required by law.
9. Obtain and review a report from the Independent Auditor at least annually regarding (a) the Independent Auditor's internal quality-control procedures, (b) any material issues raised by the most recent internal quality-control review, or peer review, of the firm, or any inquiry or investigation by governmental or professional authorities within the preceding five years respecting one or more independent audits carried out by the firm, (c) any steps taken to deal with any such issues, and (d) all relationships between the Independent Auditor and the Company. Evaluate the qualifications, performance, and independence of the Independent Auditor, including considering whether the auditor's quality controls are adequate and the provision of permitted non-audit services is compatible with maintaining the auditor's independence, taking into account the opinions of management and Internal Auditors. The Committee shall present its conclusions with respect to the Independent Auditor to the Board.
