Mr. Fettig will open the plenary session titled, "The Next Generation of EE: Driving Productivity through Investment, Modernization and Education" and participate in a Q&A session with Kateri Callahan, President, Alliance to Save Energy.

Whirlpool Corporation will have two other presenters at EE Global 2013. Jeff Noel, Corporate Vice President, Communications and Public Affairs, will present on "Elevating Standards," how to make voluntary programs that are effective in driving new and better technology. His session takes place today, May 20 from 4:15-5:30 p.m. EDT. And Michelle VanderMeer, Senior Director, North American Logistics, will present on "Soup to Nuts & Bolts," a look at how we can improve the eco-efficiency of supply chains from top to bottom. Her session takes place tomorrow, May 21 from 1:45-3:00 p.m. EDT.

EE Global is hosted by the Alliance to Save Energy, a nonprofit coalition of business, government, environmental, and consumer leaders. The event is expected to draw more than 500 attendees, exhibitors, speakers and media. Whirlpool Corporation is a founding sponsor of EE Global.
