

Charter of the Audit Committee of the Board of Directors of Jackson Financial Inc.

Effective as of September 12, 2024

1. Purpose

The primary purposes of the Audit Committee (the “Committee”) of the Board of Directors (the “Board”) of Jackson Financial Inc. (the “Corporation”) are: (a) to assist the Board in overseeing (i) the quality and integrity of the Corporation’s financial statements, (ii) the qualifications, independence and performance of the Corporation’s independent auditor, (iii) the performance of the Corporation’s internal audit function, (iv) the Corporation’s compliance with legal and regulatory requirements and (v) the accounting, financial and external reporting policies and practices of the Corporation; and (b) to review and discuss the report of the Committee required to be included in the Corporation’s annual proxy statement under the rules of the U.S. Securities and Exchange Commission (the “SEC”).

The Committee’s responsibility is one of oversight. While the Committee has the responsibilities and powers set forth in this Charter, it is not the duty of the Committee to plan or conduct audits or to determine that the Corporation’s financial statements are complete and accurate or are in accordance with generally accepted accounting principles (“GAAP”). The primary responsibility to plan and conduct audits of the financial statements is that of the Corporation’s independent auditor. Each member of the Committee shall be entitled to rely, to the maximum extent permitted under applicable law, on (a) the integrity of those persons and organizations within and outside the Corporation from which it receives information and (b) the accuracy of the financial and other information provided to the Committee by such persons or organizations absent actual knowledge to the contrary.

2. Membership

The Committee shall consist of at least three members. The initial members of the Committee shall be appointed by the Board and thereafter the members of the Committee shall be appointed by the Board on the recommendation of the Nominating and Corporate Governance Committee of the Board, which shall recommend for Committee membership such directors as it believes are qualified. Members of the Committee shall serve at the pleasure of the Board and for such term or terms as the Board may determine. The members of the Committee may be removed or replaced, and any vacancies on the Committee shall be filled, by the Board.

Each member of the Committee shall satisfy the independence requirements relating to directors and audit committee members (a) of the New York Stock Exchange and (b) set forth in Rule 10A-3 under the Securities Exchange Act of 1934 (the “Exchange Act”) and any related rules and regulations promulgated thereunder by the SEC.

Each member of the Committee shall be financially literate, as such qualification is interpreted by the Board in its business judgment. At least one member shall have accounting or related financial management expertise. At least one member of the Committee shall qualify as an “audit committee financial expert”, as defined in SEC rules, as such qualification is interpreted by the Board in its business judgment. The Board may presume that any person who satisfies the definition of “audit committee financial expert” under SEC rules satisfies the requirement for accounting or related financial management expertise.

No director may serve as a member of the Committee if such director serves on the audit committee of more than two other public companies, unless the Board determines that such simultaneous service would not impair the ability of such director to effectively serve on the Committee.

3. Structure and Operations

The Board shall designate one member of the Committee as its chairperson. The affirmative vote of a majority of the members of the Committee participating in any meeting of the Committee is necessary for the adoption of any resolution. The Committee may create one or more subcommittees and may delegate, in its discretion, all or a portion of its duties and responsibilities to such subcommittees.

The Committee shall meet at least once every fiscal quarter, at such times and places as shall be determined by the Committee chairperson and may have such additional meetings as the Committee chairperson or a majority of the Committee's members deem necessary or desirable. The agendas for the meetings shall be set under the direction of the Committee chairperson. Members of the Committee may participate in a meeting of the Committee in person or by means of conference call or similar communications arrangements.

The attendance at Committee meetings by persons other than Committee members is by invitation only. The Committee chairperson may invite any individual, whether external or internal to the Corporation, to attend all or part of any meetings of the Committee in whatever capacity as the Committee chairperson deems appropriate to assist the Committee in the fulfillment of its duties.

At each meeting, the Committee shall ensure that sufficient opportunities exist for its members to meet in separate executive sessions with (i) management of the Corporation, including the chief financial officer, chief ethics and compliance officer, chief risk officer, and general counsel; (ii) the independent auditor; (iii) the Chief Audit Executive; and (iv) as a Committee to discuss any matters that the Committee or any of these persons believe should be discussed.
