

FAT Brands Inc. to Present at the Inaugural LD Micro Virtual Conference

3/5/2018

LOS ANGELES, CA / ACCESSWIRE / March 5, 2018 / FAT Brands Inc. (NASDAQ: FAT), a leading global restaurant franchising company, today announced that it will be presenting at the inaugural LD Micro Virtual Conference on Wednesday, March 7 at 3 PM PST / 6 PM EST. Andy Wiederhorn, President and Chief Executive Officer of FAT Brands, will be presenting and answering questions from investors.

You can access the presentation at the following link: <http://www.investorcalendar.com/console/conference/?id=26726>.

"We are delighted to finally be hosting a virtual event, to support our in-person conferences," stated Chris Lahiji, President of LD Micro. "There are a great number of people and companies who are unable to come to our live events, due to a multitude of reasons (mostly related to having kids), so we are happy to offer an additional outlet where companies can present to investors without taking a lot of time out of their day-to-day operations. While virtual events will never supplant the experience of sitting in the same room as someone or eating artery clogging pastries at 3 PM, it is a great format for updating the investor community and getting increased exposure."

The conference will be held via webcast and will feature over 50 companies in the small / micro-cap space.
