“Cheers to our loyal fans who have supported us over the last 45 years,” said Gregg Nettleton, President and Chief Operating Officer of Native Grill & Wings. “Nearly half a century ago we brought something completely new to the area, Buffalo-style wings, and the rest is history. We see the areas in which we operate as our communities—our guests are like family—and that is what has contributed to us celebrating this milestone anniversary. To show our thanks, we decided to lean into where we first planted down roots, Arizona, with a commemorative desert-themed cocktail.”
