OWENS & MINOR HAS BEEN
NAMED A MEMBER OF THE GHX
MILLENNIUM CLUB

In order to best serve our customers across the continuum of healthcare, Owens & Minor partners with GHX, a healthcare business and data automation company, to complete transactions. Recently, Owens & Minor was named a member of the GHX Millennium Club—an honor provided to organizations that have generated over 1 million automated transactions annually through the GHX Exchange.

This distinction demonstrates Owens & Minors commitment to supply chain automation, which drives efficiency and accuracy with our healthcare customers and industry partners.

We're proud to join the GHX Millennium Club as we continue to empower our customers to advance healthcare!
