Kline, 63, brings more than 25 years of leadership experience garnered from her work in a wide range of healthcare industry verticals. With a blend of payor and provider background, she has driven continuous growth, profitability and M&A transactions for both startups and publicly traded organizations, including insurance, managed care, physician practice management and outpatient facility management. Her most recent leadership role was as the President and Chief Executive Officer of Health Alliance Pan, a subsidiary of Henry Ford Health System in Michigan.

Kline currently serves on the public company board of Amedisys, Inc. and multiple private company boards. Previously, Kline served on the board of directors of Apria, Inc., which was acquired by Owens & Minor in March 2022, and Intersect ENT, which was acquired by Medtronic, Inc. in May 2022.

“Rita and Terri are both veteran leaders with proven track records partnering with healthcare enterprises, making them invaluable advisors for Owens & Minor,” said Edward A. Pesicka, President and Chief Executive Officer, Owens & Minor. “Rita’s impressive background in the insurance sector and experience increasing access to care will offer indispensable guidance to our organization.
