# V2X Holds Top Spot on GSA's OASIS+ Contract Across All Eight Domains

2025-02-13

RESTON, Va., Feb. 13, 2025 /PRNewswire/ -- V2X Inc. (NYSE: VVX) has been awarded a position on the General Services Administration's (GSA) One Acquisition Solution for Integrated Services Plus (OASIS+) contract across all eight domains, solidifying its role as a leading provider of integrated mission solutions for the U.S. Government.

Through OASIS+, V2X will deliver a comprehensive suite of services, supporting mission-critical needs in:

- Technical and Engineering
- Research and Development
- Intelligence Services
- Environmental Services
- Facilities Management
- Logistics
- Management and Advisory Services
- Enterprise Solutions

OASIS+ is designed to streamline acquisitions, enhance procurement efficiency, and increase transparency, enabling federal agencies to access top-tier professional services with greater flexibility.

"We are one of only 10 companies that were awarded a position across all OASIS+ domains—a testament to the depth and breadth of our capabilities," said Jeremy C. Wensinger, President and Chief Executive Officer of V2X. "This win demonstrates our ability to support the most complex government missions with full lifecycle solutions."

As a multiple-award, indefinite delivery/indefinite quantity contract, OASIS+ represents a next-generation vehicle for procuring professional services. With a potential 10-year period of performance and no ceiling limit, it empowers agencies to plan and execute mission-essential procurements without disruption.

V2X's presence across all eight domains underscores its unmatched expertise, commitment to innovation, and mission-first approach in supporting the evolving needs of federal customers.

## About V2X

V2X builds innovative solutions that integrate physical and digital environments by aligning people, actions, and technology. V2X is embedded in all elements of a critical mission's lifecycle to enhance readiness, optimize resource management, and boost security. The company provides innovation spanning national security, defense, civilian, and international markets. With a global team of approximately 16,000 professionals, V2X enables mission success by injecting AI and machine learning capabilities to meet today's toughest challenges across all operational domains.
