## Vectrus Announces Fifth AFCAP Task Order Win Valued at \$16 Million

4/2/2018

COLORADO SPRINGS, Colo., April 2, 2018 /PRNewswire/ -- Vectrus Systems Corporation, a wholly-owned subsidiary of Vectrus, Inc. (NYSE: VEC), was awarded a new \$16 million firm-fixed-price installation services task order in support of the U.S. Air Force at Al Dhafra Air Base in the United Arab Emirates (UAE). The task order, awarded under the Air Force Contract Augmentation Program IV, or AFCAP IV, includes a base year and two years of potential option periods. AFCAP IV provides a full range of base life/operating support and logistical services on a contingency basis to the U.S. Air Force.

"This is a great win for Vectrus and underscores our ability to rapidly respond anywhere across the world, in challenging and austere environments to meet our client's contingency mission requirements," said Chuck Prow, president and chief executive officer of Vectrus. "We continue to expand our presence with the U.S. Air Force and with this new win in the UAE, Vectrus will now be a trusted provider of facilities and logistics services to the Air Force in nine countries."

Under the installation services task order, Vectrus will provide water delivery services, fitness programs and equipment maintenance, lodging services, and various recreational services.

"In addition to this new task, under the AFCAP IV program, Vectrus provides logistics services at Bagram Air Field in Afghanistan as well as various operations, maintenance, and repair services at Ali Al Salem Air Base in Kuwait," explained Prow. "Vectrus also provides similar services at Al Udeid Air Base in Qatar."

"In total, our team has successfully won more than \$60 million worth of new task orders that were competed under

the AFCAP IV program," said Prow. "This is a great track record for a contract that we have not held in the past, and we look forward to competing on additional opportunities to support our client's contingency missions."
