7/25/2018

COLORADO SPRINGS, Colo., July 25, 2018 /PRNewswire/ -- Vectrus, Inc. (NYSE: VEC) announced today that **Military Times** selected the company for its "**Best for Vets: Employers 2018**" rankings. The selection identifies organizations that are supportive of veterans and their families based on answers provided in a rigorous survey.

"Vectrus is honored by the veterans who come to work for us after their service to our country," said Frank Peloso, senior vice president and chief human resources officer of Vectrus. "They bring valuable knowledge and experience to our organization and to our customers. With more than 35 percent of our workforce having held prior military service, being selected for this ranking demonstrates our commitment to being a top employer to our veterans and their families. They always have a place here at Vectrus."

Vectrus was chosen as a **Best for Vets employer in 2017** as well. In their ninth year, the rankings evaluate a company's culture, veteran recruiting, veteran policies, and accommodations for members of the National Guard and reserves. The standards are objective, rigorous and editorially independent.

Vectrus also was recognized by Victory Media with the **2018 Military Friendly® Employer** designation. The 2018 list of Military Friendly Employers distinguishes elite companies that promote strong job opportunities, hiring practices and retention programs for transitioning service members seeking civilian employment.
