

FIGS, INC.
AUDIT COMMITTEE CHARTER

(As of May 1, 2025)

I. Purpose

The purpose of the Audit Committee (the “*Committee*”) is to assist the Board of Directors (the “*Board*”) of FIGS, Inc. (the “*Company*”) in its oversight of: (i) the integrity of the Company’s financial statements; (ii) the Company’s compliance with legal and regulatory requirements; (iii) the independent auditor’s qualifications and independence; and (iv) the performance of the Company’s internal audit function and independent auditor.

The Committee’s responsibilities are limited to oversight. The Company’s management is responsible for establishing and maintaining accounting policies and procedures in accordance with generally accepted accounting principles (“*GAAP*”) and other applicable reporting and disclosure standards and for preparing the Company’s financial statements. The Company’s independent auditors are responsible for auditing and reviewing those financial statements.

Each member of the Committee is entitled to rely on the integrity of those persons within the Company and from the professionals and experts from which the Committee receives information and, absent actual knowledge to the contrary, the accuracy of the financial and other information provided to the Committee by such persons, professionals or experts.

II. Composition

The Committee must consist of at least three directors, subject to applicable transition provisions or exceptions, each of whom must satisfy the independence requirements of the New York Stock Exchange (the “*NYSE*”) and the more rigorous independence rules for members of the Audit Committee issued by the Securities and Exchange Commission (the “*SEC*”), subject in each case to applicable transition provisions or exceptions. Each Committee member must be financially literate as determined by the Board in its business judgment or must become financially literate within a reasonable period of time after his or her appointment to the Committee. In addition, at least one member of the Committee must be a financial expert as defined under SEC rules.

No Committee member may simultaneously serve on the audit committee of more than two other public companies, unless the Board determines that such simultaneous service would not impair the ability of the member to effectively serve on the Committee and this determination is disclosed in accordance with NYSE rules. Committee members may be removed from the Committee, with or without cause, by the Board. The Board will designate one member of the Committee to serve as its Chair, or otherwise the Committee may designate a Chair by majority vote of the full Committee membership.

III. Meetings, Procedures and Authority

The Committee must meet at least once during each fiscal quarter. The Committee will meet at such times as determined by its Chair or as requested by any two of its members. Notice of all meetings will be given, and waiver thereof determined, pursuant to the provisions contained in the Company's amended and restated bylaws. The Chair of the Committee will preside, when present, at all meetings of the Committee. The Committee may meet in person, or by telephone or video conference. The Committee must meet separately, periodically, with management, the internal auditor and the independent auditor.

The Committee has the authority to establish its own rules and procedures for notice and conduct of its meetings so long as they are not inconsistent with any provisions of this Charter or the Company's bylaws that are applicable to the Committee.

The Committee may retain any independent counsel, experts or advisors that the Committee believes to be necessary or appropriate. The Company must provide for appropriate funding, as determined by the Committee, for payment of compensation to the independent auditor for the purpose of preparing or issuing an audit report or performing other audit, review or attest services, for payment of compensation to any advisors employed by the Committee and for payment of ordinary administrative expenses of the Committee that are necessary or appropriate in carrying out its duties.

In addition to the duties and responsibilities expressly delegated to the Committee in this Charter, the Committee may exercise any other powers and carry out any other responsibilities consistent with this Charter, the purposes of the Committee, the Company's bylaws and applicable NYSE rules.

The Committee has the authority to conduct or authorize investigations into any matters within the scope of its responsibilities as it deems appropriate, including the authority to request any officer, employee or adviser of the Company to meet with the Committee or any advisers engaged by the Committee.

Each member of the Committee will have one vote. A majority of the members of the Committee will constitute a quorum. The Committee may act by the affirmative vote of a majority of the Committee members present at any meeting at which a quorum is present, or by the unanimous written consent of all of the Committee members.
