About Falcon's Beyond

Falcon's Beyond is a visionary entertainment and technology enterprise at the forefront of the global experience economy. The company designs, develops, engineers, and delivers immersive physical and digital experiences for leading brands, developers, and destination operators worldwide, as well as for its own portfolio of entertainment and technology concepts.

Built on an integrated experience platform, Falcon's Beyond brings together creative development, proprietary technologies, advanced engineering, intellectual property ("IP"), and operational execution to enable the repeatable creation, deployment, and scaling of entertainment experiences across multiple formats and global locations. The company operates through three complementary business divisions:

- Falcon's Creative Group provides creative and advisory services including destination strategy, master

planning, experiential and attraction design, digital media, interactive software, IP development, and creative guardianship for entertainment and hospitality destinations.

- Falcon's Beyond Brands encompasses a broad portfolio of intellectual property, proprietary technologies, and operating businesses that design, engineer, commercialize, and deploy entertainment systems, products, content, and experiences across physical and digital environments.
- Falcon's Beyond Destinations develops, owns, operates, and expands entertainment venues, hospitality experiences, and branded destination concepts across a variety of location-based formats, utilizing proprietary and third-party intellectual property.
