Auditors (Resolution 10 – Ordinary Resolution)

The Company, at each general meeting at which accounts are presented, appoints auditors to hold office until the close of the next such meeting. PricewaterhouseCoopers LLC has been invited to act as Auditors and they have accepted the appointment and their willingness to continue in office. Accordingly, it is proposed by Resolution 9 to re-appoint PricewaterhouseCoopers LLC as auditors to the Company to hold office until the close of the next such meeting.

Auditors Remuneration (Resolution 11 – Ordinary Resolution)

Resolution 11 authorises the Directors to fix the remuneration of PricewaterhouseCoopers LLC.

Special Business**Authority to allot shares pursuant to Bye-Law 9 (Resolution 12 – Ordinary Resolution)**

Resolution 12 would authorise the Directors to allot up to an aggregate nominal value of US\$13,921.85 representing 13,921,853 shares which is equal to approximately one-third (1/3) of the issued share capital of the Company as at 14 June 2011, being the last practicable date prior to printing of this Notice. The purpose of this authority is to allow Directors to allot new shares in accordance with the Bye-Laws of the Company. The Board intends to renew this authority, as for previous years, at each subsequent Annual General Meeting.

Dissipation of Pre-Emption Rights (Resolution 13 – Special Resolution)

If the Directors wish to exercise the authority under Bye-Laws 19 to 30 (inclusive) and offer unissued shares for cash, the Company's Bye-Laws require that unless Shareholders have given specific authority for the waiver of the pre-emption rights contained in the Company's Bye-Laws, the new shares be offered first to existing Shareholders in proportion to their existing shareholdings. In certain circumstances, it may be in the best interests of the Company to allot new shares (or to grant rights over shares) for cash without first offering them to existing Shareholders in proportion to their holdings.

Resolution 13 would authorise the Directors to disapply these pre-emption provisions. This would provide the Directors with a degree of flexibility to act in the best interests of the Company so that (i) the Company can follow normal practice in the event of a rights issue, open offer or other offer of securities in favour of the existing Shareholders in proportion to their shareholdings; and (ii) shares may be issued for cash to persons other than existing Shareholders up to an aggregate nominal value of US\$ 4,177 which is equivalent to approximately 10% of the issued share capital of the Company on 14 June 2011, being the latest practicable date prior to the printing of this Notice. If given, the authority will expire at the conclusion of the Annual General Meeting in 2012.

The Directors have no present intention of issuing any further shares pursuant to the authorities to be granted under Resolutions 12 and 13, other than under GeoPark's employee stock ownership programme or pursuant to any equity fund raising which GeoPark may seek to carry out in accordance with the Company's Bye-Laws.
