Second Quarter 2022
Investor Presentation

FORWARD-LOOKING STATEMENTS

This document contains statements that may constitute “forward-looking statements” within the meaning of Federal securities laws including under “2022 Financial Outlook” in this presentation. Such forward-looking statements are not guarantees of future performance and involve known and unknown risks, uncertainties and other factors concerning the Company’s operations and business environment. Important factors that could cause actual results to differ materially from those suggested by these forward-looking statements and that could adversely affect the Company’s future financial performance include the following: the impact and uncertainty created by the ongoing COVID-19 pandemic, including, but not limited to, its effects on our employees, facilities, customers, and suppliers, the availability and cost of raw materials, energy, and other supplies, the availability and cost of labor, logistics, and transportation; the uncertain impacts of the ongoing conflict between Russia and Ukraine on our supply chain, input costs, including energy and transportation, and on general economic conditions; governmental regulations and restrictions, and general economic conditions, including inflation; the pace and nature of new product introductions by the Company and the Company’s customers; the Company’s ability to anticipate and respond to changing consumer preferences and changing technologies; the Company’s ability to successfully implement its growth strategies; the outcome of the Company’s various productivity-improvement and cost-reduction efforts, acquisition and divestiture activities, and operational improvement plan; changes in costs of raw materials, including energy; industry, regulatory, legal, and economic factors related to the Company’s domestic and international business; the effects of tariffs, trade barriers, and disputes; growth in markets for products in which the Company competes; industry and customer acceptance of price increases; actions by competitors; currency exchange rate fluctuations; and other factors included in “Risk Factors” in the Company's Annual Report on Form 10-K for the year ended December 31, 2021, as updated and supplemented by the Company’s Quarterly Report on Form 10-Q for the quarter ended March 31, 2022, and in other documents that the Company files with the SEC. The risks and uncertainties identified above are not the only risks the Company faces. Additional risks and uncertainties not presently known to the Company or that it currently believes to be immaterial also may adversely affect the Company. Should any known or unknown risks and uncertainties develop into actual events, these developments could have material adverse effects on our business, financial condition, and results of operations. This presentation contains time-sensitive information that reflects management’s best analysis only as of the date of this presentation. Except to the extent required by applicable laws, the Company does not undertake to publicly update or revise its forward-looking statements even if experience or future changes make it clear that any projected results expressed or implied herein will not be realized.

NON-GAAP FINANCIAL MEASURES

Within this document, the Company reports certain non-GAAP financial measures, including: (1) adjusted revenue, adjusted operating income, adjusted net earnings, adjusted EBITDA, and adjusted diluted earnings per share (which exclude divestiture & other related costs, the results of the divested product lines, and restructuring and other costs, which include operational improvement plan costs and income) (2) adjusted results by segment (which exclude divestiture & other related costs, operational improvement plan costs and income, and the results of the divested operations), (3) percentage changes in revenue, operating income, diluted earnings per share, and EBITDA on an adjusted local currency basis (which eliminate the effects that result from translating its international operations into U.S. dollars, divestiture & other related costs, the results of the divested product lines, and restructuring and other costs, which include operational improvement plan costs), and (4) adjusted EBITDA (which excludes depreciation and amortization expense, non-cash share based compensation expense, the results of the divested product lines, the divestiture & other related costs, and operational improvement plan costs and income). The Company has included each of these non-GAAP measures in order to provide additional information regarding the underlying operating results and comparable period-over-period performance. Such information is supplemental to information presented in accordance with GAAP and is not intended to represent a presentation in accordance with GAAP. These non-GAAP measures should not be considered in isolation. Rather, they should be considered together with GAAP measures and the rest of the information included in this presentation and the Company's SEC filings. Management internally reviews each of these non-GAAP measures to evaluate performance on a comparative period-to-period basis and to gain additional insight into underlying operating and performance trends. The Company believes this information can be beneficial to investors for these same purposes. These non-GAAP measures may not be comparable to similarly titled measures used by other companies. Refer to "Non-GAAP Financial Measures" at the end of this presentation for reconciliations and additional information.

2022 Q2 Segment Results

Local Currency Adjusted Revenue*

	Q2	YTD
Color	+21.9%	+16.8%
Flavors & Extracts	+8.8%	+7.0%
Asia Pacific	+23.0%	+18.6%

Local Currency Adjusted Operating Income*

	Q2	YTD
Color	+23.9%	+20.7%
Flavors & Extracts	+23.9%	+19.3%
Asia Pacific	+43.3%	+36.7%

Local Currency Adjusted* Commentary:

Color Group reported higher revenue in the quarter due to double digit growth in both Food and Pharmaceutical and Personal Care. Operating income was up due to volume growth and pricing.

Flavors & Extracts Group second quarter revenue increased as a result of growth in flavors, extracts and flavor ingredients and pricing actions across the Group. Flavor Solutions acquisition contributed $3.9 million, or 2.2%, of growth in the quarter. Operating income was up as a result of pricing and volume growth in flavors, extracts and flavor ingredients.

Asia Pacific Group second quarter revenue increased double digits driven by volume growth in almost all regions. Operating income improved in the quarter due to volume growth and pricing.

** Local-currency (LC) adjusted revenue and adjusted operating income are Non-GAAP metrics. Please see our GAAP to Non-GAAP Reconciliation at the end of this document.*

2022 Q2 Consolidated Results

	Q2	YTD
Local Currency Adjusted Revenue*	+14.9%	+11.6%
Local Currency Adjusted Operating Income*	+29.1%	+22.5%
Local Currency Adjusted Diluted EPS*	+21.5%	+19.4%
Local Currency Adjusted EBITDA*	+26.7%	+21.4%

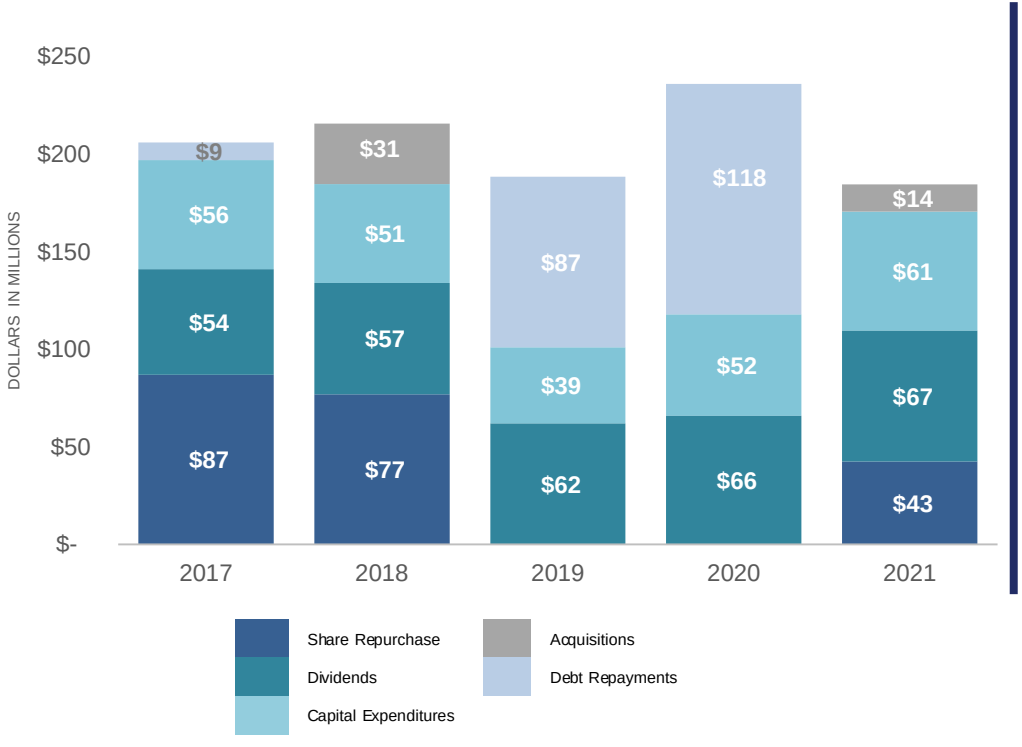

Q2 consolidated local currency adjusted revenue increased due to volume growth and pricing actions. Volume growth was impacted by the anticipated headwind in the Flavor Group related to limited supply of onion and strong 2021 onion sales. The Color Group, Asia Pacific Group, and flavors, extracts and flavor ingredients in the Flavor Group were all up double-digits.

Q2 consolidated local currency adjusted operating income was up due to the overall volume growth across almost all of our businesses and the impact of pricing actions. The operating income improvement was partially offset due to higher year-over-year Corporate expenses related to performance-based compensation.

** Local-currency (LC) adjusted revenue, adjusted operating income, adjusted diluted EPS, and adjusted EBITDA are Non-GAAP metrics. Please see our GAAP to Non-GAAP Reconciliation at the end of this document.*

Capital Allocation

Prioritize ROI capital projects

Maintain financial flexibility to pursue M&A

Dividend payout increased 5.1% in 2021

Excess capital returned to shareholders through opportunistic share repurchases

2022 Financial Outlook

Metric	Revised Guidance*	Previous Guidance*	Comments
Diluted EPS (GAAP)	No Change	High-teen growth	At current rates, we anticipate a FX headwind of approximately 23 cents
Local Currency Diluted EPS*	No Change	High single to double-digit growth	
Local Currency Revenue*	High single-digit growth	Mid-to-High single-digit growth	
Adjusted Local Currency EBITDA*	No Change	High single to double-digit growth	Excludes the impact of share-based stock compensation

**In 2022, the Company does not anticipate any impact to the above metrics as a result of divestiture & other related costs, operational improvement plan costs, or the results of the divested operations.*

The 2022 Local Currency Diluted EPS, Local Currency Revenue and Adjusted Local Currency EBITDA growth rates for 2022 are compared to the 2021 Adjusted Diluted EPS, Adjusted Revenue and Adjusted EBITDA, respectively, which excluded the divestiture & other related costs, operational improvement plan costs and the results of operations of the divested product lines. Adjusted revenue, adjusted diluted EPS and adjusted EBITDA are Non-GAAP metrics. Please see our GAAP to Non-GAAP Reconciliation at the end of this document.

Why Invest?
