Leading industry expert to accelerate growth

London, 23 April 2025 – Leading global diversified professional services and investment management company Colliers announced today the appointment of Katarína Brydone as the Managing Director (MD) of Colliers in the Czech Republic, effective 2 May 2025.

Brydone will concentrate on driving overall growth and enhancing operational excellence within the Czech Republic business. She will collaborate closely with Monika Rajska-Wolińska, CEO of Colliers in Central and Eastern Europe (CEE), to diversify the range of services provided to clients both locally and throughout the region.

This appointment follows the announcement that Tewfik Sabongui is stepping down from Colliers after seven years of leading the Czech Republic business.

Brydone brings 19 years of experience across a diverse range of commercial asset types and possesses cross-functional expertise in investment, leasing and tenant representation, property management, and building consultancy. She joins Colliers from Trigea Funds, where she served as Head of Asset Management. Previously, she spent 16 years in multiple roles at CBRE.

Rajska-Wolińska commented: "I am delighted to have Katarína join the Czech Republic and wider CEE business at Colliers. Her proven track record in managing complex value-add asset management strategies across different asset classes and service lines, both in-house and client-facing, will strengthen our ability to deliver exceptional results."

Davoud Amel-Azizpour, CEO, Colliers EMEA, said: "In partnership with our Czech Republic and CEE leadership teams, I look forward to seeing Katarína cultivate her strong client relationship ethos to create sustained growth and elevate our presence in the market."

Commenting on her appointment, Katarína Brydone said: "I am thrilled to become the MD of Colliers Czech Republic and utilise my expertise in working across a diverse range of services to create enhanced opportunities for our people and clients."
