Harrison Street named Global Alternatives Investor of the Year

Award highlights Harrison Street's year of strategic investments across target sectors and platform expansion

Harrison Street, Colliers' investment management firm focused on alternative real assets, was named 2024 Alternatives Investor of the Year: Global by Private Equity Real Estate (PERE). This prestigious award reflects Harrison Street's industry leadership, strategic investments, and commitment to delivering long-term value in alternative real assets.

Harrison Street has invested over $70 billion in demographic-driven real estate and social infrastructure including senior housing, student housing, healthcare delivery, life sciences and storage assets. In 2024, Harrison Street achieved nearly $9 billion in transaction volume, with significant investments in senior housing, student housing, and data centres, as well as $4 billion in asset dispositions—the firm's largest absolute volume in a single year.

In an interview with PERE, Harrison Street Co-Founder, Chairman and CEO Christopher Merrill discusses key accomplishments, the resiliency of the firm's investment strategies, opportunities in the market. Read the full keynote here.
