## Colliers adds leading telecommunications engineering firm

2025-05-05

Expands wireless infrastructure capabilities

TORONTO and CHICAGO, May 05, 2025 (GLOBE NEWSWIRE) -- Leading diversified professional services and investment management company, Colliers (NASDAQ, TSX: CIGI), announced today that its Colliers Engineering & Design ("Colliers Engineering") division has acquired Terra Consulting Group, LLC ("Terra"), a specialty telecommunications infrastructure engineering firm based in Chicago, Illinois. This acquisition strengthens Colliers Engineering's footprint in the Midwest and positions the platform to capitalize on the rapid growth in the telecommunications sector. Terms of the transaction were not disclosed.

Founded in 1994, Terra's 70 employees provide telecommunications engineering, land development, site acquisition and structural design services from five offices throughout the Midwest region.

"Terra brings deep expertise and relationships in the telecommunications sector, bolstering our existing capabilities and allowing us to further capitalize on the rapid growth in the industry," said Kevin L. Haney, PE, President & CEO, Colliers Engineering. "We are excited to welcome the Terra team to the Colliers family."

"Joining Colliers Engineering & Design will allow us to offer more comprehensive and integrated services to our clients," said John J. Zimmermann, PE, President, Terra. "Colliers' entrepreneurial culture and client service focus aligns perfectly with how we operate, and we are confident that joining forces will create many opportunities and continued success for our people."
