NEWS RELEASE

# Harrison Street: 2020 Year in Review

2/23/2021

Colliers Investment Management's Harrison Street CEO recaps an active 2020

Christopher Merrill, Co-Founder, Chairman and CEO of **Harrison Street**, showcases the resiliency of the alternative real assets sector, as well as the unwavering commitment, strength and creativity of Harrison Street's team in 2020. We focused on our areas of strength, invested in our business, delivered on performance expectations for our portfolio of assets under management, and expanded our relationships with universities and health systems. Watch the full video below.

Colliers is a leading alternative asset investment manager with $40 billion in real assets under management, delivering superior risk adjusted returns to our investors. Our investment firms include Harrison Street, a leading firm exclusively focused on demographic-based investing that generates top-tier returns, and Colliers Global Investors, concentrated on institutional quality real assets across Europe.
