Balazs Fejes serves as EPAM's President of Global Business & Chief Revenue Officer, where he leads global client engagement, market activities and is responsible for EPAM's global business operations.

Prior to June 2024, Mr. Fejes served as President of the Europe and APAC Markets, leading business activities in those regions, co-leading global business operations and overseeing EPAM's banking and financial services business unit. Prior to August 2012, Mr. Fejes served as EPAM's chief technology officer (CTO) and was responsible for ensuring that EPAM's global software development centers were at the leading edge of industry standards for efficiency and quality.

Mr. Fejes joined EPAM in 2004 as part of the acquisition of Fathom Technology, a Hungarian software engineering firm which he co-founded and where he served as CTO. Prior to co-founding Fathom Technology Mr. Fejes held senior technical leadership roles at Great Plains (Microsoft Business Solutions) and Scala Business Solutions.

Throughout his career, Mr. Fejes has been a hands-on innovator, visionary architect and software engineer, receiving multiple awards and programming championship honors.
