

EPAM Receives Oracle Commerce Top Business Impact Award 2012

April 29, 2013 8:31 PM EDT

Newtown, PA-April 29, 2013-EPAM Systems, Inc. (NYSE:EPAM), a leading provider of complex software engineering solutions and the leader in Central and Eastern European IT service delivery, received an Oracle "Top Business Impact Partner, EMEA - 2012" award during the 5th Annual Oracle Commerce EMEA Partner Conference in Lisbon on April 17th.

In April 2012, EPAM achieved Gold Level status in Oracle PartnerNetwork (OPN) following five years of successful partnership implementing, customizing, and integrating Oracle's leading business solution platforms for clients in North America, and Western and Eastern Europe. EPAM provides a full range of business consulting, experience design, solution architecture, development, integration, and support services for Oracle Hyperion, Oracle Business Intelligence, Oracle ATG Commerce, Taleo, and other Oracle solutions.

EPAM's success as a Systems Integrator of Oracle Enterprise Platforms is pre-dated by an 8-year-long partnership of providing R&D, product development, and maintenance and support services on the Hyperion, Commerce, Taleo, and other Oracle platforms. For the past five years, EPAM has been helping clients in North America, Western and Eastern Europe to leverage Oracle technology in order to achieve their business goals.

The acquisition of Empathy Lab, a long-standing, well-respected Oracle Commerce partner focused on Digital Strategy and Experience Design, strengthened EPAM's solution capabilities broadly in eCommerce and specifically with Oracle. Working with such well-known brands as Avon, DirecTV, and Liberty Global, Empathy Lab also acts as a strategic advisor, program manager, and digital agency for the Red Cross, the nation's premier emergency response organization. As a result of this partnership, the new redcross.org built on Oracle ATG Web Commerce [set a new record](#), handling peak volumes of donations for victims of Hurricane Sandy while maintaining 100 percent uptime.

"We are very proud to receive this recognition from Oracle, who has been both a client and a partner for many years. Impacting business results - going beyond technology - is one of the imperatives for IT service companies. This specific award recognizes exceptionally talented individuals in EPAM's Oracle ATG Commerce team and their ability to drive business growth and profit for major global brands in the USA, UK, France, and Russia," said Karl Robb, President of European Operations at EPAM Systems.
