

## EPAM Ranked as Star Performer in Everest Group 2013 Capital Markets Service Provider Landscape and PEAK Report

January 9, 2014 2:00 PM EST

**Newtown, PA - January 9, 2014** - EPAM Systems, Inc. (NYSE:EPAM), a leading provider of complex software engineering solutions and a leader in Central and Eastern European IT service delivery, has been ranked as one of the "star performers" in the [2013 ITO in Capital Markets Service Provider Landscape and PEAK Report](#) by Everest Group.

Everest Group, a global management consulting company and one of the leading advisors of global services, assessed 20 leading application outsourcing (AO) service providers in the Capital Markets industry, mapping them on its Performance | Experience | Ability | Knowledge (PEAK) Matrix. For the second straight year, EPAM is ranked as a "star performer" showing the Company's strong advancement in terms of both market success and capabilities.

"This recognition from Everest validates the investments EPAM has made in its Capital Markets capabilities in the past 5 years," says Balazs Fejes, Global Head of Banking and Financial Services Industry Business Unit, EPAM Systems. "By retaining its star performer status, EPAM illustrates why blue chip customers such as Barclays and UBS continue to put their confidence in us."

EPAM provides a full range of services for investment, retail, private, corporate banking and wealth management banks, asset managers, financial services technology and software providers, exchanges, and brokerages. With over 2,800 professionals, EPAM has one of the largest Banking & Financial Services business unit in Central and Eastern Europe and runs dedicated Capital Markets and Market Data Competency Centers focused on ongoing staff training and R&D.
