

EPAM to Present at Software Product Development Services Webinar featuring Independent Research Firm

May 14, 2014 8:52 PM EDT

Newtown, PA - May 14, 2014 - EPAM Systems, Inc. (NYSE:EPAM), a leading provider of product development and software engineering solutions and a leader in Central and Eastern European IT service delivery, announced today that Alex Lyashok, Head of Global Operations, EPAM and guest speaker Charles Green, Analyst, Forrester Research, Inc. will present at an EPAM webinar featuring research from The Forrester Wave(TM): Software Product Development Services, Q1 2014' report on Wednesday, May 21 from 11:00 a.m. to 12:00 a.m. ET.

Mr. Green and Mr. Lyashok will discuss the nature of today's digital transformation in the marketplace, demands that organizations face, and steps companies and their partners need to take to close the gap between capabilities and quickly evolving customer expectations. Mr. Lyashok will also share a profile of EPAM and benchmark the company's capabilities relative to other firms in the software product development services segment.
