

EPAM Debuts as Top Information Technology Services Company on Fortune's 100 Fastest Growing Companies of 2015

September 8, 2015 1:25 PM EDT

NEWTOWN, Pa., Sept. 08, 2015 (GLOBE NEWSWIRE) -- EPAM Systems, Inc. (NYSE:EPAM), a leading global provider of product development and software engineering solutions, announced today that it was named to Fortune's 100 Fastest-Growing Companies for 2015. This is the first year that EPAM has appeared in Fortune's annual ranking of companies with the most stellar three-year profit, revenue and stock growth.

"Over the past few years, our investments have been focused on an ever-evolving mix of advanced capabilities. Since January 2015, EPAM has been mentioned in 28 reports from Forrester, Gartner and a number of other industry analysts covering topics from Agile Services, to Digital Innovation to BI and Analytics and in key verticals for us such as Financial Services, Life Sciences and Healthcare, Retail and Distribution, and Travel and Hospitality," said Arkadiy Dobkin, CEO and President, EPAM. "Today, we are very pleased to see that those investments bring our financial performance in line with best-in-class companies across other industry sectors. Being included as top information technology services company, in such a prestigious ranking as the Fortune List of 100 Fastest Growing companies, is a strong validation of that."

Fortune's 100 Fastest-Growing companies are publicly traded companies ranked by revenue growth rate, EPS growth rate and three-year annualized total return for the period ended June 30, 2015. The overall rank is based on the sum of three ranks.
