

EPAM Named Major Contender in Everest Group's Peak Matrix for Life Sciences Clinical and R&D IT Services

November 12, 2015 5:21 PM EST

NEWTOWN, Pa., Nov. 12, 2015 (GLOBE NEWSWIRE) -- EPAM Systems, Inc. (NYSE:EPAM), a leading global provider of product development and software engineering solutions, today announced that it has been named a 'Major Contender' on Everest Group's PEAK Matrix™ in the report 'Life Sciences Clinical and R&D IT Services.'

"We are pleased to be named a Major Contender on the Everest Group PEAK Matrix for Life Sciences Clinical and R&D IT Services," said Richard Golob, Global Head of the Life Sciences Practice at EPAM. "We're proud to serve some of the world's largest pharmaceutical and healthcare companies, and as our life science customers continue to evolve within this hyper-connected global marketplace, EPAM is excited to play a role in driving the industry forward."

In the Life Sciences industry, EPAM delivers a sophisticated combination of deep scientific and mathematical knowledge with superior software engineering and global deployment capabilities. EPAM delivers accelerated solutions to its clients, from research, discovery and time-to-market to improved collaboration and knowledge management.

Developed by Everest Group, a global consulting and research firm, the PEAK (Performance, Experience, Ability, Knowledge) Matrix is a framework that assesses the relative market success and overall capability of service providers in various industries. The results were published in Everest Group's PEAK Matrix™ in the report 'Life Sciences Clinical and R&D IT Service - Service Provider Landscape with PEAK Matrix™ Assessment 2015.'
