

EPAM Wins Acquia 2015 Partner Site of the Year Award for Brand Experience

November 24, 2015 5:20 PM EST

NEWTOWN, Pa., Nov. 24, 2015 (GLOBE NEWSWIRE) -- EPAM Systems, Inc. (NYSE:EPAM), a leading global provider of product development and software engineering solutions, announced today that it has won the Acquia 2015 Partner Site of the Year Award for Brand Experience built for Givaudan, an EPAM client.

"We are honored to win the Partner Site of the Year Award and be recognized for our work on Givaudan," said Elaina Shekhter, CMO, EPAM. "It's exciting to work with companies whose brands stand for the very best in sustainability, while also delivering truly transformative sensory experiences for consumers around the world. With this recognition, EPAM joins other great digital services providers who help transform the brands of tomorrow."

The Acquia Partner Site of the Year Awards recognize and showcase the best examples of digital innovation from Acquia partners. EPAM built the site on Acquia's content platform and utilized a highly-specialized team of designers, architects and developers to design and deploy the award-winning Givaudan site.

The selection process for the Acquia Partner Site of the Year Awards includes the naming of 48 finalists from which 16 category winners are chosen. The selection committee carefully selects the winners based on each site's visual design, functionality, integration, and overall customer experience.
