November 25, 2015 2:01 PM EST

NEWTOWN, Pa., Nov. 25, 2015 (GLOBE NEWSWIRE) -- EPAM Systems, Inc. (NYSE:EPAM), a leading global provider of product development and software engineering solutions, announced today that it was named by Zinnov Management Consulting, a leading globalization and market expansion advisory firm, in the Leadership Zone for Enterprise Software and Consumer Software in its Global R&D Service Providers (GSPR) Rating 2015. The annual list supports business decision-makers leading global engineering partner selection.

"We are pleased to be recognized as a leader in the Zinnov GSPR this year," said Elaina Shekhter, CMO, EPAM. "According to the rankings, EPAM placed in the "high scalability" Leadership Zone for both Enterprise and Consumer Software Product Development. This placement confirms EPAM as a market leader with a strong focus on innovative and scalable software solutions across most verticals."

Zinnov assigns Leadership Zone rankings to service providers that have a presence in almost all verticals, a formal innovation culture, and the capability of performing Go-To-Market product concepts. Recognition in the Leadership Zone indicates excellent performance in all attributes.

Zinnov's GSPR 2015 study is an extensive, annual study of the capabilities of R&D and Product Engineering Services providers, and is designed to assist global engineering leaders in making the right decisions in their selection of outsourcing partners from across the world.
