

EPAM to Showcase Innovative Search Solutions for SAP HANA® at SAPHIRE® NOW to Help Customers Speed Time to Value

May 17, 2016 4:56 PM EDT

NEWTOWN, Pa., May 17, 2016 (GLOBE NEWSWIRE) -- EPAM Systems, Inc. (NYSE:EPAM), a leading global provider of product development and software engineering solutions and an SAP partner, today announced that it will showcase its portfolio of innovative solutions for the SAP HANA® platform, IoT and eCommerce at the SAPHIRE® NOW conference being held May 17-19, 2016 in Orlando, FL, Booth #1377.

EPAM delivers end-to-end digital transformation services and solutions to clients across multiple verticals, including the retail, oil & gas, pharmaceuticals and manufacturing industries. Visitors to EPAM's booth will learn about EPAM's new specialized, fast, scalable and efficient storage and search solutions available for SAP HANA. Also, attendees will gain insights about how EPAM's offerings can help transform their enterprise with SAP® solutions for business, including cloud transformation, IoT, advanced analytics and machine learning in eCommerce, maintenance planning and other areas.

"For 20 years, EPAM has utilized its core strength in engineering in its work with SAP," said Igor Nys, VP, Technology Solutions, EPAM. "Accelerating speed-to-market and innovation while reducing costs are key for our clients. At our booth, we will be offering demonstrations of our specialized search solution for SAP HANA and share our IoT, cloud and machine learning expertise and how it can speed time to value."
