

EPAM Recognized Again in Top 50 of CRN'S 2016 Solution Provider 500 List of Largest North American Technology Integrators

June 15, 2016 3:47 PM EDT

NEWTOWN, Pa., June 15, 2016 (GLOBE NEWSWIRE) -- EPAM Systems, Inc. (NYSE:EPAM), a leading global provider of product development and software engineering solutions, today announced that it was named to the [2016 Solution Provider 500 List](#) (SP500) by [CRN®](#), a brand of [The Channel Company](#). For the past three years, EPAM has been ranked in the top 50 of the SP500 list, which is CRN's annual ranking of the largest technology integrators, solution providers and IT consultants in North America by revenue.

"We are pleased to be recognized as a top technology integrator. Today's technology challenges demand that system integrators become more than partners who connect disparate systems," said Elaina Shekhter, CMO, EPAM. "The current market demands are focused on systems design, integration and orchestration and EPAM is proud to be leading this transition into higher value integration services."

"The 2016 Solution Provider 500 represent a total, combined revenue of over \$334 billion—a testament to their success in keeping pace with the rapidly changing demands of today's IT market," said Robert Faletra, CEO, The Channel Company. "This prestigious list recognizes those companies with the highest revenue and serves as a valuable industry resource for vendors seeking out top solution providers to partner with. We congratulate each of the Solution Provider 500 companies and look forward to their continued success."

A sampling from the 2016 Solution Provider 500 list will be featured in the June issue of CRN Magazine and at www.CRN.com/sp500. For more information about the product development and software engineering solutions that EPAM provides, please visit www.epam.com.
