Partner Program Recognizes Best-in-Class Digital Experience Delivery

NEWTOWN, Pa., June 25, 2019 /PRNewswire/ -- EPAM Systems, Inc. (NYSE: EPAM), a leading global provider of digital platform engineering and software development services, today announced that it has achieved Global Select status in Acquia's Partner Program. Acquia, an open source digital experience company, provides software and services built around Drupal. As one of only a few elite Global Select partners, EPAM leverages its Acquia and Drupal expertise to help its clients design, build and deliver engaging and intelligent customer experiences.

"Our team has not only expanded its Acquia capabilities, but our experts continue to be active contributors to the open source community. This experience, combined with our digital orchestration expertise, allows us to accelerate our customers' digital strategies and deliver user-focused experiences with Drupal and the Acquia platform," said Seth Gregory, Director, Software Engineering, Head of Drupal Competency, EPAM. "EPAM is proud to be among this elite group of Acquia Global Select Partners and we look forward to continuing our work together to deliver valuable solutions for our customers."

As an Acquia partner since 2012, EPAM provides strategy and consulting, design, cloud, architecture and development expertise to its global customers by leveraging Acquia's platform. EPAM's experts are active contributors to the Drupal open source project and the company is a Premium Supporting Partner of the Drupal Association. EPAM is ranked 49 out of more than 3,800 organizations based on the number of its contributions to the Drupal open source community.

"EPAM is a leader in business transformation, bringing a multi-disciplinary approach to delivering powerful and engaging experiences at every touch point," said Joe Wykes, senior vice president of worldwide partnerships and sales, Acquia. "Together, Acquia and EPAM are providing secure, scalable and enterprise-ready solutions for global brands and organizations with complex digital needs."

Acquia's Partner Program supports and rewards partners who build their businesses on the Acquia Experience Platform. Acquia's partner ecosystem includes some of the most capable and talented digital leaders in the world and helps companies connect with world class firms focused on strategy, brand and UX, integration, Drupal development and project management.
