

EPAM Continuum Debuts First-Ever NXT Report On 20 Trends Shaping 2020

January 21, 2020 3:02 PM EST

Report from EPAM Continuum's trends research group highlights 20 trends across industries and presents businesses with opportunities to embrace change

NEWTOWN, Pa., Jan. 21, 2020 /PRNewswire/ -- EPAM Continuum, the integrated business, technology and experience consulting practice of EPAM Systems, Inc. (NYSE: EPAM), today unveiled its first-ever NXT report, "[20 Trends Shaping 2020](#)," which highlights developments and changes that will impact organizations and industries in the next year. The report was compiled by NXT, EPAM Continuum's trends research group.

With the start of a new decade, competition has never been greater for businesses that need to adapt to cultural, political and technological dynamics. The NXT trends report takes a close look at how rapid change and uncertainty across various sectors will shape the future, providing insight to help companies better understand how these complex developments will impact business.

"What's unique about the trends identified in the NXT report is they provide us a view into how core human needs and evolving business practices are driving new social behaviors and cultural attitudes," said Chris Michaud, VP, EPAM Continuum. "When working with our clients, insights around these trends help us reframe future business opportunities in response to our fast-paced world."
