

EPAM Announces New Industry Advisory Board

January 28, 2021 3:02 PM EST

NEWTOWN, Pa., Jan. 28, 2021 /PRNewswire/ -- [EPAM Systems, Inc.](https://www.epam.com) (NYSE: EPAM), a leading global provider of digital platform engineering and development services, today announced the **launch of a brand-new Industry Advisory Board**. The inaugural team of executives will provide vital perspectives to help customers with their digital transformation objectives—creating a win-win relationship **built on strategic opportunity and relationship-building**.

"We're pleased to welcome the founding members of EPAM's Industry Advisory Board," said Arkadiy Dobkin, CEO and President, EPAM. "The breadth and depth of expertise that our advisors bring will help EPAM and our customers to better navigate through continuous waves of technology and business change. Together, we're committed to creating new value for our customers as a truly integrated, end-to-end transformation partner—from strategy advisory to full build and optimization."

The **founding members** of the **EPAM Industry Advisory Board** are:

- **DR. MARK BOXER, DSc, DHA**
Focus areas include CPG, Retail, Insurance, Healthcare, Life Sciences and Cloud
Dr. Boxer is an internationally recognized innovator and technologist. A former EVP, CIO, Chief Digital Officer and Cigna executive, he has more than 25-years of experience in healthcare technology, analytics and digital leadership. He holds a Doctorate in Health Administration from the Medical University of South Carolina and a second doctorate in Global Public Health from Arizona's School of Health Sciences with postdoctoral research at the University of Oxford, Nuffield School of Primary Care. He earned his Master of Business Administration degree in Finance from the University of Connecticut and a Master of Science degree in Information Systems from Drexel University. He holds Bachelor's degrees in Physics and Engineering from the University of Hartford.
- **NORM JUDAH**
Focus areas include Cloud Transformation with Microsoft concentration
A keynote speaker, evangelist, strategy and leadership advisor, Mr. Judah is also a 28-year veteran of Microsoft where was Microsoft Enterprise CTO. During his expansive career, he developed and drove technical strategies for customers around the world. He holds a Master of Applied Science from the University of Toronto and a Bachelor of Science in Electrical Engineering from the University of Witwatersrand.
- **ANDY WALTER**
Focus areas include Strategy, Executive Communications, Strategic Partnership

Models, Execution and Brand/Company Equity Development in the CPG Industry

Mr. Walter is a results-driven professional with extensive experience in strategy design, development, digital transformation and operations across Shared Services, Analytics and IT at Procter & Gamble and companies across the Fortune 500. He has over 20-years of experience working on Boards/Board-level advisory roles and is an industry influencer and coach to a broad network of C-Suite executives in technology, analytics and digital transformation domains.

In the future, the Advisory Board plans to expand membership to additional verticals, including: Insurance, Financial Services, Energy, Media & Entertainment, Travel & Hospitality, ISV, Data, High Tech, Ed Tech and more.

About EPAM Systems

Since 1993, EPAM Systems, Inc. (NYSE: EPAM) has leveraged its software engineering expertise to become a leading global product development, digital platform engineering, and top digital and product design agency.
