"We are delighted to be included for the third year in a row on Fortune's 100 Fastest-Growing Companies list," said Arkadiy Dobkin, CEO and President at EPAM. "In a market that demands rapid innovation and digitization of customer experiences, data-driven decision-making, cloud modernization, and zero trust cybersecurity architectures, we are helping our clients solve their most complex business challenges, drive growth and successfully transform their businesses."

Fortune's Fastest-Growing Companies list ranks publicly traded companies by revenue growth rate, EPS growth rate and three-year annualized total return. The overall rank is based on the sum of the three ranks.

At Fiscal Year 2020, EPAM achieved a five-year compound annual revenue growth rate (CAGR) of 24 percent. As the only IT services company featured on this year's list, EPAM's integrated consulting, agile approach and renowned 'Engineering DNA' is helping the company deliver results at scale.
