

## EPAM Named an Adobe Platinum Level Solution Partner

June 7, 2022 2:02 PM EDT

*Achieving the highest level of Adobe partnership, EPAM helps customers get the most out of their Adobe investment to extract maximum business value*

NEWTOWN, Pa., June 7, 2022 /PRNewswire/ -- With customers demanding personalized experiences across all digital channels, a solid user experience strategy is the key to success. For organizations looking to reimagine their digital engagement, it is important to choose an experienced, qualified partner. **EPAM Systems, Inc. (NYSE: EPAM), a leading digital transformation services and product engineering company, today announced its upgrade to platinum status within the Adobe Solution Partner Program**—placing it in the top 15 percent of solution providers. This platinum-level partnership status reflects EPAM's exceptional customer satisfaction ratings, delivery of many successful Adobe Experience Cloud customer deployments and more than 300 credentialed Adobe specialists.

We are thrilled to have achieved this premiere partner status with Adobe. Our thanks and appreciation go out to all of our customers and the EPAM Adobe community for enabling our organization to make this happen," said Andrew Fegley, Head of Digital Engagement, NA at EPAM. "By dedicating ourselves to the Adobe ecosystem and extending the reach of our Adobe capabilities, EPAM has emerged as a leading global player in the digital transformation space delivering innovative, omni-channel solutions that power next generation digital products and experiences for our customers."

- **Engaging & Personalized Digital Experiences.** From strategy to design and development to support, EPAM delivers end-to-end digital solutions powered by Adobe Experience Cloud. Offerings include discovery and consulting, digital marketing, commerce, cloud migration and platform upgrade services.
- **Faster Time-to-Market with Optimized Cost and Uncompromised Quality.** Global resource pool, robust accelerators, and other turnkey solutions such as AEM as a Service, AEM Health Check, FastTrack Adobe Commerce and more.

"As a platinum partner, EPAM has achieved the highest level of Adobe partnership status—helping customers get the most out of their Adobe investment to extract maximum business value," said Tony Sanders, Head of Partner Sales, NA at Adobe. "Adobe is proud of the partnership we've created with EPAM over the last decade, and it goes without saying that they've had impressive growth in their Adobe product expertise and dedication in delivering the best customer experiences."

As a globally recognized Adobe partner, EPAM has partnered with Adobe since 2010 to build and deliver personalized, seamlessly integrated experiences for customers. The Company's Adobe practice includes more than 300 Adobe-certified professionals, 1000+ consultants and engineers and an impressive resume of more than 100 global customer transformation success stories.

"WSA has worked with EPAM as its implementation partner for more than three years. EPAM has a proven track record in providing the engineering resources necessary to handle our Adobe Commerce upgrades, customizations, and global rollouts effectively," said Yassine Medhioub, VP, Information Technology at WSA. "The quality of support, the responsiveness, and the integrity that has developed over the years are what we value most. I look forward to a continuous and successful collaboration. Thank you EPAM!"

#### **Forward-Looking Statements**

This press release includes estimates and statements which may constitute forward-looking statements made pursuant to the safe harbor provisions of the Private Securities Litigation Reform Act of 1995, the accuracy of which are necessarily subject to risks, uncertainties, and assumptions as to future events that may not prove to be accurate. Our estimates and forward-looking statements are mainly based on our current expectations and estimates of future events and trends, which affect or may affect our business and operations. These statements may include words such as "may," "will," "should," "believe," "expect," "anticipate," "intend," "plan," "estimate" or similar expressions. Those future events and trends may relate to, among other things, developments relating to on-going hostilities in Ukraine, political and civil unrest or military action in the geographies where we conduct business and operate, developments relating to the on-going COVID-19 pandemic, and the effect that they may have on our revenues, operations, access to capital, profitability and customer demand. Other factors that could cause actual results to differ materially from those expressed or implied include general economic conditions, the risk factors discussed in the Company's most recent Annual Report on Form 10-K and the factors discussed in the Company's Quarterly Report on Form 10-Q, filed on or after the date of this press release, particularly under the headings "Management's Discussion and Analysis of Financial Condition and Results of Operations" and "Risk Factors" and other filings with the Securities and Exchange Commission. Although we believe that these estimates and forward-looking statements are based upon reasonable assumptions, they are subject to several risks and uncertainties and are made in light of information currently available to us. EPAM undertakes no obligation to update or revise any forward-looking statements, whether as a result of new information, future events, or otherwise, except as may be required under applicable securities law.
