"We're excited to be recognized by NelsonHall for our Salesforce Services and dedication to expanding our expertise and service offerings for customers looking to implement Salesforce-driven digital transformations," says Kevin Labick, Co-Head of Digital Engagement Practice at EPAM. "It's important for customers to use a technology partner with vision and expertise to help get the best results. As a first-tier vendor overall in Salesforce Services, we are confident in our ability to be a trusted partner for our customers now and in the future."

EPAM is a leading Salesforce partner and a member of seven partner advisory boards. With more than 15 years of experience and 2,400+ global experts in Salesforce, MuleSoft, and Tableau, EPAM is consistently rated 4.9 out of 5 stars in customer satisfaction. In 2021, EPAM acquired [PolSource](#), an expert Salesforce Consulting Partner, to scale its growing Salesforce capabilities—Sales Cloud, Service Cloud, Revenue Cloud, and industry accelerators. This followed an earlier acquisition of MuleSoft partner [Ricston](#) to scale the Salesforce API practice—enabling customers to leverage a multi-cloud approach, transform business and improve adoption for existing Salesforce clients.

"In just a few years, EPAM has expanded its Salesforce service capabilities from the core Sales and Service Cloud to next-gen products such as MuleSoft, Commerce, Marketing, Revenue Cloud and Vlocity," said Dominique Raviart, NelsonHall's IT Services Practice Manager. "EPAM is also developing new specialized services (for example, through integrating Revenue and Field Service Cloud) that NelsonHall believes are increasingly required by customers."

NelsonHall's research is based on rigorous, primary research, and is widely respected for the quality, depth and insight of its analysis.

Forward-Looking Statements

This press release includes estimates and statements which may constitute forward-looking statements made pursuant to the safe harbor provisions of the Private Securities Litigation Reform Act of 1995, the accuracy of which are necessarily subject to risks, uncertainties, and assumptions as to future events that may not prove to be accurate. Our estimates and forward-looking statements are mainly based on our current expectations and estimates of future events and trends, which affect or may affect our business and operations. These statements may include words such as "may," "will," "should," "believe," "expect," "anticipate," "intend," "plan," "estimate" or similar expressions. Those future events and trends may relate to, among other things, developments relating to the invasion of Ukraine, political and civil unrest or military action in the geographies where we conduct business and operate, developments relating to the ongoing COVID-19 pandemic, and the effect that they may have on our revenues, operations, access to capital, profitability and customer demand. Other factors that could cause actual results to differ materially from those expressed or implied include general economic conditions, the risk factors discussed in the Company's most recent Annual Report on Form 10-K and the factors discussed in the Company's Quarterly Report on Form 10-Q, filed on or after the date of this press release, particularly under the headings "Management's Discussion and Analysis of Financial Condition and Results of Operations" and "Risk Factors" and other filings with the Securities and Exchange Commission. Although we believe that these estimates and forward-looking statements are based upon reasonable assumptions, they are subject to several risks and uncertainties and are made based on information currently available to us. EPAM undertakes no obligation to update or revise any forward-looking statements, whether as a result of new information, future events, or otherwise, except as may be required under applicable securities law.
