

NETFLIX BECOMES OFFICIAL HOME OF WWE LIBRARY IN UNITED STATES

January 6, 2026 – Netflix and WWE today announced an expansion to their long-term partnership that will see the world's leading entertainment service become the home of WWE's library in the U.S.

Beginning immediately, Netflix is the new U.S. home for WWE's library of Premium Live Events (prior to September 2025) including *WrestleMania*, *SummerSlam* and *Royal Rumble*, as well as award-winning documentaries and original programming.

This follows the January 2025 launch of WWE on Netflix, where *Monday Night Raw* has become a weekly staple in the global English Top 10. Past episodes of *Monday Night Raw* are also available as part of the WWE library on Netflix.

The arrival of WWE's library on Netflix also comes ahead of Season 2 of original behind-the-scenes documentary series *WWE: Unreal* on January 20.
