To come out to one of our community events to learn more about the Côté Gold Project

IAMGOLD[®]
CORPORATION

IAMGOLD Corporation is hosting community open houses to share information about the Côté Gold Project, a proposed open pit gold mine, located 20 kilometres southwest of Gogama, Ontario. Since the last community open houses on the Project, IAMGOLD received approvals from the Canadian Environmental Assessment Agency in April 2016 and the Ministry of the Environment and Climate Change in January 2017.

IAMGOLD considered the valuable feedback provided on the Project to date and has worked to optimize the Project design to reduce potential effects on the environment and local communities.

We invite you to come and hear about the improvements to the Project and learn about the planned timeline for development.
