

IAMGOLD CONFIRMS RAMP-UP OF MINING OPERATIONS AT SOUTHERN PITS OF ROSEBEL GOLD MINES

Toronto, Ontario, October 3, 2019 – IAMGOLD Corporation (“IAMGOLD” or the “Company”) confirms that it continues ramp-up activities at its southern pits at its Rosebel Gold Mine (“Rosebel”) in Suriname. In response to recent media reports, the Company reports that there was no blockade at Rosebel.

We reiterate that our 2019 guidance for Rosebel remains conservative, incorporating several scenarios, including cases with no production from the southern pits and Saramacca.

We continue to work closely with, and have the full support of, the local community, the union and the highest levels of the government. We remain confident regarding our original ramp-up timeline for the southern pits.
