

## **IAMGOLD RENEWS PRELIMINARY BASE SHELF PROSPECTUS**

**Toronto, Ontario, August 4, 2022 – IAMGOLD Corporation** (NYSE:IAG) (TSX:IMG) (“IAMGOLD” or the “Company”) today announced it has filed a preliminary short form base shelf prospectus (the “**Preliminary Base Shelf Prospectus**”) with the securities regulators in each province and territory of Canada.

This filing, together with a corresponding registration statement to be filed with the United States Securities and Exchange Commission, when made final or effective, will allow the Company to make offerings of common shares, first preference shares, second preference shares, debt securities, warrants, subscription receipts or any combination thereof of up to US\$500 million during the next 25 months in the United States and Canada. The net proceeds from any such offerings are expected to be used by the Company to fund ongoing operations and capital expenditures, including the construction and development of the Côté Gold project, reducing its level of outstanding indebtedness from time to time, other discretionary capital programs, and for general corporate purposes.

This news release does not constitute an offer of any securities for sale.

### **CAUTIONARY STATEMENT REGARDING FORWARD-LOOKING INFORMATION**

This news release contains forward-looking statements. All statements, other than of historical fact, that address activities, events or developments that the Company believes, expects or anticipates will or may occur in the future are forward-looking statements. Forward-looking statements are generally identifiable by, but not limited to, the use of the words “may”, “will”, “should”, “would”, “continue”, “expect”, “expected”, “budget”, “forecast”, “anticipate”, “estimate”, “believe”, “intend”, “appear”, “plan”, “schedule”, “guidance”, “outlook”, “potential”, “plans”, “targeted”, “focused”, or “project” or the negative of these words or other variations on these words or comparable terminology. Forward-looking statements are subject to a number of risks and uncertainties, many of which are beyond the Company's ability to control or predict, that may cause the actual results to differ materially from those discussed in the forward-looking statements. Factors that could cause actual results or events to differ materially from current expectations include, but are not limited to, differences in the mineral content within the material identified as mineral resources or mineral reserves from that predicted, the failure to accurately estimate mineral resources or mineral reserves, unexpected increases in capital expenditures, operating expenditures and exploration expenditures, changes in development or mining plans due to changes in logistical, technical or other factors, the possibility that future exploration results will not be consistent with the Company's expectations, changes in world gold markets and other risks disclosed in IAMGOLD's most recent Form 40-F/Annual Information Form and the “Risk and Uncertainties” section of the Company's management discussion and analysis as at and for the six months ended June 30, 2022, on file with the United States Securities and Exchange Commission at [www.sec.gov/edgar.shtml](http://www.sec.gov/edgar.shtml) and Canadian securities regulatory authorities at [www.sedar.com](http://www.sedar.com), which are incorporated herein. Any forward-looking statement speaks only as of the date on which it is made and, except as may be required by applicable securities laws, the Company disclaims any intent or obligation to update any forward-looking statement. The Company disclaims any intention or obligation to update or revise any forward-looking statements whether as a result of new information, future events or otherwise except as required by applicable law.

## **ABOUT IAMGOLD**

IAMGOLD is a mid-tier gold mining company operating in North America, South America and West Africa. The Company has three operating mines: Essakane (Burkina Faso), Rosebel (Suriname) and Westwood (Canada), and is building the large-scale, long life Côté Gold project (Canada) which is expected to commence production in early 2024. In addition, the Company has a robust development and exploration portfolio within high potential mining districts in the Americas and West Africa.

IAMGOLD employs approximately 5,000 people and is committed to maintaining its culture of accountable mining through high standards of Environmental, Social and Governance ("ESG") practices, including its commitment to Zero Harm®, in every aspect of its business. IAMGOLD is listed on the New York Stock Exchange (NYSE:IAG) and the Toronto Stock Exchange (TSX:IMG) and is one of the companies on the Jantzi Social Index ("JSI"), a socially screened market capitalization-weighted consisting of companies which pass a set of broadly based environmental, social and governance rating criteria.
